# Designing Instruction for Technology-Enhanced Learning

## Table of Contents

Preface ..... *vi*

Acknowledgements ..... *ix*

### Section I: Instructional Design: An Overview of the Field

**Chapter I: Teacher-Designers: How Teachers Use  
Instructional Design in Real Classrooms ..... 1**

*Patricia L. Rogers, Bemidji State University  
Minnesota State Colleges and Universities (MnSCU), USA*

### Section II: Foundations of Instructional Design

**Chapter II: Education, Learning, and Technology ..... 19**

*J. Ana Donaldson, University of Northern Iowa, USA  
Nancy Nelson Knupfer, Digital Horizons, USA*

### Section III: Designing for Learners in Primary and Secondary Education

**Chapter III: eTIPS–Educational Technology Integration  
and Implementation Principles ..... 56**

*Sara Dexter, University of Minnesota, USA*

**Chapter IV: Teaching in the Digital Age: “Teaching  
as You Were Taught” Won’t Work ..... 71**

*Gay Fawcett and Margarete Juliana  
Kent State University, USA*

**Chapter V: Constructing Technology Learning Activities  
to Enhance Elementary Students’ Learning ..... 83**

*Diane L. Judd, Valdosta State University, USA*

## **Section IV: Designing for Learners in Higher Education**

### **Chapter VI: Designing Discussion for the Online Classroom ..... 100**

*Lin Y. Muilenburg, University of South Alabama, USA*

*Zane L. Berge, University of Maryland, Baltimore County, USA*

### **Chapter VII: Nothing but the Blues: A Case Study in the Use of Technology to Enrich a University Course ..... 114**

*Tracy Chao and Bruce Stovel*

*University of Alberta, Canada*

### **Chapter VIII: Designing and Evaluating Instruction for e-Learning ..... 134**

*Som Naidu, University of Melbourne, Australia*

## **Section V: Designing for Learning Environments**

### **Chapter IX: Designing Hypermedia Instruction ..... 161**

*Lorna Uden, Staffordshire University, UK*

### **Chapter X: Applying Instructional Design Principles and Adult Learning Theory in the Development of Training for Business and Industry ..... 184**

*Anne-Marie Armstrong, Lucent Technologies, USA*

### **Chapter XI: A Blended Technologies Learning Community—From Theory to Practice ..... 209**

*Barbara Rogers Bridges, Mary C. Baily, Michael Hiatt,*

*Deborah Timmerman and Sally Gibson*

*Bemidji State University, USA*

### **Chapter XII: United We Stand—Divided We Fall! Development of a Learning Community of Teachers on the Net ..... 228**

*Sólveig Jakobsdóttir, Kennaraháskóli Islands, Iceland*

### **Chapter XIII: What to Do With a C.O.W. in the Classroom ..... 248**

*Cynthia L. Krey, Christopher Stormer and Janet Winsand*

*The College of St. Catherine, USA*

### **Afterword ..... 262**

### **About the Authors ..... 264**

### **Index ..... 271**
