CONTENTS

Foreword xi

Acknowledgments xiii

List of abbreviations xv

PART I: Issues and Definitions 1

1 Overview of SLA Studies 3

1.0. Introduction 3

1.1. Toward a Definition of SLA Studies 4

1.2. The Discourse Hypothesis 5

1.3. The Social Interaction Hypothesis 6

1.4. The Interactionist Hypothesis 13

1.5. Conclusion 18

2 Conversation Analysis: A Resource for Reconceptualizing SLA Studies 19

2.0. Introduction 19

2.1. Toward a Definition of CA 19

2.2. CA: Epistemological and Methodological Considerations 21

2.3. Some Potential Objections to the Use of CA as a Methodological Tool For SLA Studies 24

2.4. Respecifying SLA studies 27

2.5. Conclusion 36

3 Doing Conversation Analysis: Practical Issues In Recording, Transcribing and Analyzing Data 40

3.0. Introduction 40

3.1. Recording Data 40

3.2. Transcribing Data 42

3.3. Analyzing Data 48

3.4. Conclusion 49

PART II: Locating Interactional Competence 51

4 Sequential Organization In Different Speech Exchange Systems 52

4.0. Introduction 52

4.1. Interactional Competence 52

4.2. Summary 63

4.3. Conclusion 64

5 Turn-Taking In Different Speech Exchange Systems 68

5.0. Introduction 68

5.1. Toward a Conversation Analytic Definition of Turns 68

5.2. Turn-Taking: A Resource for SLA 70

5.3. Speech Exchange Systems: An Overview 72

5.4. Turn-Taking Practices in Equal Power Speech Exchange Systems 73

5.5. Turn-Taking Practices in Unequal Power Speech Exchange Systems 77

5.6. Conclusion 81

6 Repair In Different Speech Exchange Systems 84

6.0. Introduction 84

6.1. The Organization of Repair: A Social Psychological Model 84

6.2. The Organization of Repair in Equal Power Speech Exchange Systems: A Conversation Analytic Model 86

6.3. The Organization of Repair in Unequal Power Speech Exchange Systems 92

6.4. Conclusion 94

PART III: Demonstrating Conversation Analysis 97

7 "Coral": A Case of Comprehended Input That Leads to Understanding and Learning 99

7.0. Introduction 99

7.1. The Database 100

7.2. Data Collection Procedures 101

7.3. The Tasks 102

7.4. A Definition of Spoken Definitions 102

7.5. Procedures Used to Identify the Conversational Structure of Spoken Definitions 103

7.6. Conversation Analysis 106

7.7. Connecting CA with Broader Issues In SLA Studies 113

7.8. Conclusion 116

8 "We Cannot Get By Auschwitz": A Case of "Comprehended" Input That Does Not Lead To Understanding and Learning 119

8.0. Introduction 119

8.1. The Participants and the Tasks 120

8.2. The Data 121

8.3. Conversation Analysis 122

8.4. Connecting CA with Broader Issues In SLA Studies 139

8.5. Conclusions 142

Appendix A: Transcription Conventions 144

Appendix B: "Coral" Collection 146

Appendix C: "We Cannot Get By Auschwitz" Collection 152
