	Cold Beverages	108			
	Hot Beverages	109			
	Special Concerns over Alcohol	113			
	Non-Restaurant Menus	114			
	Summary	120			
	Comprehension Questions	120			
	Discussion Questions	120			
	Case Study	121			
	Capstone Project	121			
6	STANDARDIZED RECIPES AND RECIPE COSTING	122			
	Standard Recipes and Portion Control	123			
	As-Purchased, Edible Portion, and Yield Percentage	123			
	AP and EP Costs	125			
	Recipe Costing	126			
	Cost per Portion	131			
	Spice Factor	131			
	Q Factor	132			
	Summary	134			
	Technology Assistance: Setting Up a Recipe Costing Template in Excel	135			
	Comprehension Questions	137			
	Discussion Questions	138			
	Capstone Project	138			
7	MENU PRICING	139			
	Menu Pricing Strategies	139			
	Food Cost Percentage Pricing Methods	140			
	Prime Cost Pricing Methods	142			
	Gross Profit Pricing Method	143			
	Base Price Pricing Method	145			
	Matching Competitors’ Prices	145			
	Choosing the Right Pricing Method	146			
	Factors That Affect Menu Prices	149			
	Pricing Psychology	150			
	Special Menu Pricing Situations	156			
	Summary	158			
	Comprehension Questions	158			
	Discussion Questions	158			
	Case Study	159			
	Capstone Project	159			
8	MENU COPY	160			
	Descriptive Copy That Communicates Information	161			
	Communicating the Facts	162			
	Truth in Menus	162			
	Selling the Product	166			
	Non-Restaurant Menus	171			
	History and Other Institutional Copy	171			
	Summary	178			
	Comprehension Questions	179			
	Discussion Questions	179			
	Case Study	179			
	Capstone Project	180			
	References	180			
9	UNWRITTEN MENUS	181			
	Selling and Informing without a Menu	182			
	Buffet Layout	185			

Buffet Food Arrangement	189
Guaranteed Guest Counts	190
Verbal Specials	191
Summary	193
Comprehension Questions	193
Discussion Questions	193
Case Study	194
Capstone Project	194

10 LAYOUT OF THE WRITTEN MENU 195

Menu Size and Layout	196
Menu Construction	198
Covers and Treatments	203
Printing In-House versus Printing Professionally	204
Print Quantities	205
Other Types of Menus	206
Web Menus	208
Summary	212
Comprehension Questions	213
Discussion Questions	213
Case Study	213
Capstone Project	214
Reference	214

11 EVALUATION: MENU ENGINEERING 215

Menu Analysis	216
Popularity	217
Profitability	218
Menu Engineering Categories	221
Further Considerations	223
Point-of-Sales Systems and Ongoing Changes	226
Summary	227
Technology Assistance: Setting Up a Menu-Analysis Template in Excel	227
Comprehension Questions	228
Discussion Questions	229
Case Study	229
Capstone Project	230

12 HOW THE MENU DIRECTS BUSINESS 231

The Menu's Marketing Function	231
The Menu as a Control Tool	237
The Chicken and the Egg Paradox	245
Summary	246
Comprehension Questions	246
Discussion Questions	246
Case Study	246

Index	247
