

The Essence of Anthropology

FOURTH EDITION

WILLIAM A. HAVILAND

Professor Emeritus, University of Vermont

HARALD E. L. PRINS

Kansas State University

DANA WALRATH

University of Vermont

BUNNY McBRIDE

Kansas State University

Australia • Brazil • Mexico • Singapore • United Kingdom • United States

Brief Contents

Preface xvii

Acknowledgments xxviii

- 1** Thinking and Doing Anthropology 3
- 2** Biology, Genetics, and Evolution 31
- 3** Living Primates 53
- 4** Human Evolution 79
- 5** The Neolithic Revolution: The Domestication of Plants and Animals 103
- 6** The Emergence of Cities and States 125
- 7** Modern Human Diversity: Race and Racism 145
- 8** The Characteristics of Culture 165
- 9** Language and Communication 181
- 10** Social Identity, Personality, and Gender 201
- 11** Subsistence and Exchange 223
- 12** Sex, Marriage, and Family 247
- 13** Kinship and Other Forms of Grouping 269
- 14** Politics, Power, and Violence 291
- 15** Spirituality and Religion 315
- 16** Global Changes and the Role of Anthropology 337

Glossary 359

Bibliography 367

Index 375

Contents

Preface xvii

Acknowledgments xxviii

1 Thinking and Doing Anthropology 3

- The Anthropological Perspective 3
- Anthropology and Its Fields 5
 - Cultural Anthropology 5
 - Linguistic Anthropology 8
 - Archaeology 9
 - Biological Anthropology 12
 - Forensic Anthropology 13
- Anthropology, Science, and the Humanities 14
- Doing Anthropology in the Field 16
 - Archaeological and Paleoanthropological Methods 19
 - Ethnographic Methods 24
- Anthropology's Comparative Method 25
- Questions of Ethics 26
- Anthropology and Globalization 27
 - Chapter Checklist 28
 - Questions for Reflection 29
 - Digging into Anthropology 29
- BIOCULTURAL CONNECTION:** Picturing Pesticides 7
- ANTHROPOLOGY APPLIED:** Forensic Anthropology: Voices for the Dead 14
- ORIGINAL STUDY:** Whispers from the Ice, By Sherry Simpson 17

2 Biology, Genetics, and Evolution 31

- Evolution and Creation Stories 31
- The Classification of Living Things 31
- The Discovery of Evolution 33
- Heredity 35
 - The Transmission of Genes 36
 - Genes and Alleles 37
 - Cell Division 39
 - Polygenetic Inheritance 43
- Evolutionary Forces and Populations 44
 - Mutation 44
 - Genetic Drift 44
 - Gene Flow 45
 - Natural Selection 46
 - The Case of Sickle-Cell Anemia 47
- Adaptation and Physical Variation 48
- Macroevolution and the Process of Speciation 49

Chapter Checklist 50

Questions for Reflection 51

Digging into Anthropology 51

- BIOCULTURAL CONNECTION:** Bonds beyond Blood: DNA Testing and Refugee Family Unification, By Jason Silverstein 41
- ORIGINAL STUDY:** Ninety-Eight Percent Alike: What Our Similarity to Apes Tells Us about Our Understanding of Genetics, By Jonathan Marks 43

3 Living Primates 53

- Methods and Ethics in Primatology 53
 - Primates as Mammals 54
 - Primate Characteristics 55
 - Primate Teeth 55
 - Primate Sensory Organs 56
 - The Primate Brain 57
 - The Primate Skeleton 57
 - Living Primates 58
 - Lemurs and Lorises 58
 - Tarsiers 59
 - Anthropoids: Monkeys and Apes 59
 - Small and Great Apes 60
 - Primate Behavior 64
 - Social Interaction and Bonding 65
 - Sex and Reproduction 66
 - Reproduction and Care of Young 70
 - Communication and Learning 71
 - Use of Objects as Tools 71
 - Hunting 73
 - Primate Conservation and the Question of Culture 73
 - Primate Conservation 74
 - Conservation Strategies 74
 - Chapter Checklist 76
 - Questions for Reflection 77
 - Digging into Anthropology 77
 - ORIGINAL STUDY:** Disturbing Behaviors of the Orangutan, By Anne Nacey Maggioncalda and Robert M. Sapolsky 68
 - BIOCULTURAL CONNECTION:** Chimpanzees in Biomedical Research: Time to End the Practice 74
- ## 4 Human Evolution 79
- Mammalian Primate Evolution 80
 - Human Evolution 81
 - The First Bipedes 82
 - Ardipithecus ramidus* 82

The Anatomy of Bipedalism 83
 Australopithecines 85
Homo habilis 86
 Interpreting the Fossil Record 87
 Tools, Food, and Brain Expansion 88
Homo erectus 88
 Lumpers or Splitters 92
 The Neandertals 93
 The Upper Paleolithic 96
 The Modern Human Origins Debate 98
Chapter Checklist 100
Questions for Reflection 101
Digging into Anthropology 101

BIOCULTURAL CONNECTION: Evolution and Human Birth 89

ANTHROPOLOGY APPLIED: Stone Tools for Modern Surgeons 92

5 The Neolithic Revolution: The Domestication of Plants and Animals 103

The Mesolithic Roots of Farming and Pastoralism 103
 The Neolithic Revolution 105
 What Is Domestication? 105
 Evidence of Early Plant Domestication 106
 Evidence of Early Animal Domestication 106
 Why Humans Became Food Producers 107
 The Fertile Crescent 107
 Other Centers of Domestication 111
 Food Production and Population Size 113
 The Spread of Food Production 114
 The Culture of Neolithic Settlements 115
 Jericho: An Early Farming Community 115
 Neolithic Material Culture 115
 Social Structure 117
 Neolithic Cultures in the Americas 117
 The Neolithic and Human Biology 118
 The Neolithic and the Idea of Progress 121
Chapter Checklist 122
Questions for Reflection 123
Digging into Anthropology 123

BIOCULTURAL CONNECTION: Dogs Get Right to the Point 110

ANTHROPOLOGY APPLIED: Pre-Columbian Fish Farming in the Amazon, By Clark L. Erickson 119

6 The Emergence of Cities and States 125

Defining Civilization 126
 Tikal: A Case Study 128
 Surveying and Excavating the Site 129
 Evidence from the Excavation 129
 Cities and Cultural Change 130

Agricultural Innovation 131
 Diversification of Labor 131
 Central Government 132
 Social Stratification 134
 The Making of States 135
 Ecological Theories 138
 Action Theory 138
 Civilization and Its Discontents 139
 Social Stratification and Disease 140
 Colonialism and Disease 140
 Anthropology and Cities of the Future 140
Chapter Checklist 142
Questions for Reflection 143
Digging into Anthropology 143

ORIGINAL STUDY: Ani: Identities, and Conflicts in and around a “Silk Road” City, By Gregory Areshian 136

BIOCULTURAL CONNECTION: Perilous Pigs: The Introduction of Swine-Borne Disease to the Americas, By Charles C. Mann 141

7 Modern Human Diversity: Race and Racism 145

The History of Human Classification 145
 Race as a Biological Concept 147
 The Conflation of the Biological into the Cultural Category of Race 150
 The Social Significance of Race: Racism 152
 Race and Behavior 152
 Race and Intelligence 153
 Studying Human Biological Diversity 155
 Skin Color: A Case Study in Adaptation 157
 Culture and Biological Diversity 159
 Beans, Enzymes, and Adaptation to Malaria 160
 Adaptation to Human-Made Stressors 160
Chapter Checklist 162
Questions for Reflection 163
Digging into Anthropology 163

ORIGINAL STUDY: Caveat Emptor: Genealogy for Sale, By Jonathan Marks 148

BIOCULTURAL CONNECTION: Beauty, Bigotry, and the Epicanthic Eye Fold of the Beholder 154

8 The Characteristics of Culture 165

Culture and Adaptation 165
 The Concept and Characteristics of Culture 167
 Culture Is Learned 167
 Culture Is Shared 167
 Culture Is Based on Symbols 171
 Culture Is Integrated 172
 Culture Is Dynamic 174

- Culture, Society, and the Individual 175
 Culture and Change 175
 Ethnocentrism and the Evaluation of Culture 177
 Chapter Checklist 178
 Questions for Reflection 179
 Digging into Anthropology 179
ANTHROPOLOGY APPLIED: New Houses for Apache
 Indians, By George S. Esber 171
BIOCULTURAL CONNECTION: Modifying The Human
 Body 176
- 9 Language and Communication 181**
- Linguistic Research and the Nature of Language 182
 Descriptive Linguistics 183
 Phonology 183
 Morphology, Syntax, and Grammar 184
 Historical Linguistics 184
 Processes of Linguistic Divergence 185
 Language Loss and Revival 186
 Language in Its Social and Cultural Settings 188
 Sociolinguistics 188
 Ethnolinguistics 190
 Language Versatility 191
 Beyond Words: The Gesture–Call System 191
 Nonverbal Communication 192
 Paralanguage 192
 Tonal Languages 193
 Telecommunication: Talking Drums
 and Whistled Speech 194
 The Origins of Language 194
 From Speech to Writing 196
 Literacy and Modern Telecommunication
 in Our Globalizing World 198
 Chapter Checklist 198
 Questions for Reflection 199
 Digging into Anthropology 199
ANTHROPOLOGY APPLIED: When Bambi Spoke Arapaho:
 Preserving Indigenous Languages, By S. Neyooxet
 Greymorning 188
BIOCULTURAL CONNECTION: The Biology of Human
 Speech 195
- 10 Social Identity, Personality,
 and Gender 201**
- Enculturation: The Self and Social Identity 201
 Self-Awareness 202
 Social Identity through Personal Naming 202
 Self and the Behavioral Environment 205
 Culture and Personality 205
 Personality Development: A Cross-Cultural
 Perspective on Gender 206
 Three Child-Rearing Patterns 208
 Group Personality 210
 National Character 210
 Core Values 211
 Alternative Gender Models 212
 Transgenders 213
 Eunuchs 215
 The Social Context of Sexual
 and Gender Identity 215
 Normal and Abnormal Personality in Social
 Context 215
 Sadhus: Holy Men in Hindu Cultures 215
 Mental Disorders across
 Time and Cultures 217
 Personal Identity and Mental Health
 in Globalizing Society 219
 Chapter Checklist 220
 Questions for Reflection 221
 Digging into Anthropology 221
ORIGINAL STUDY: The Blessed Curse,
 By R. K. Williamson 212
BIOCULTURAL CONNECTION: A Cross-Cultural
 Perspective on Psychosomatic Symptoms and
 Mental Health 218
- 11 Subsistence and Exchange 223**
- Adaptation 223
 Adaptation and Environment 224
 Adaptation in Cultural Evolution 224
 An Ecosystemic Collapse:
 The Tragic Case of Easter Island 224
 Modes of Subsistence 225
 Food-Foraging Societies 225
 Food-Producing Societies 226
 Subsistence and Economics 230
 Production and Its Resources 231
 Land and Water Resources 231
 Technology Resources 231
 Labor Resources and Patterns 232
 Distribution and Exchange 235
 Reciprocity 237
 Redistribution 238
 Market Exchange
 and the Marketplace 240
 Local Economies and Global Capitalism 242
 Informal Economy and the Escape from State
 Bureaucracy 242
 Chapter Checklist 244
 Questions for Reflection 245
 Digging into Anthropology 245
ANTHROPOLOGY APPLIED: Global Ecotourism and Local
 Indigenous Culture in Bolivia, By Amanda Stronza 236
BIOCULTURAL CONNECTION: Cacao: The Love Bean
 in the Money Tree 241

12 Sex, Marriage, and Family 247

- Control of Sexual Relations 248
 - Marriage and the Regulation of Sexual Relations 248
 - Incest Taboo 250
 - Endogamy and Exogamy 251
 - Distinction between Marriage and Mating 252
 - Forms of Marriage 252
 - Monogamy 253
 - Polygamy 253
 - Group Marriage 254
 - Choice of Spouse 254
 - Cousin Marriage 256
 - Same-Sex Marriage 257
 - Marriage and Economic Exchange 259
 - Divorce 259
 - Family and Household 260
 - Forms of the Family 261
 - Nontraditional Families and Nonfamily Households 263
 - Residence Patterns 264
 - Marriage, Family, and Household in Our Technological and Globalized World 265
 - Adoption and New Reproductive Technologies 265
 - Migrant Workforces 265
 - Chapter Checklist* 266
 - Questions for Reflection* 267
 - Digging into Anthropology* 267
 - BIOCULTURAL CONNECTION:** Marriage Prohibitions in the United States, By Martin Ottenheimer 252
 - ORIGINAL STUDY:** Arranging Marriage in India, By Serena Nanda 255
- 13 Kinship and Other Forms of Grouping 269**
- Descent Groups 269
 - Unilineal Descent 270
 - Other Forms of Descent 272
 - Descent within the Larger Cultural System 273
 - Lineage Exogamy 274
 - From Lineage to Clan 274
 - Phratries and Moieties 275
 - Bilateral Kinship and the Kindred 276
 - Kinship Terminology and Kinship Groups 277
 - The Eskimo System 277
 - The Hawaiian System 278
 - The Iroquois System 279
 - Kinship Terms and New Reproductive Technologies 279
 - Grouping beyond Kinship 280

- Grouping by Gender 280
- Grouping by Age 280
- Grouping by Common Interest 281
- Associations in the Digital Age 282
- Grouping by Social Status in Stratified Societies 283
- Historical Racial Segregation in South Africa and the United States 285
- Indicators of Social Status 286
- Maintaining Stratification 287
- Social Mobility 287
- Chapter Checklist* 288
- Questions for Reflection* 289
- Digging into Anthropology* 289

- BIOCULTURAL CONNECTION:** Maori Origins: Ancestral Genes and Mythical Canoes 270
- ORIGINAL STUDY:** African Burial Ground Project, By Michael Blakey 285

14 Politics, Power, and Violence 291

- Systems of Political Organization 291
 - Uncentralized Political Systems 292
 - Centralized Political Systems 295
- Political Systems and the Question of Legitimacy 298
- Politics and Religion 298
- Politics and Gender 299
- Cultural Controls and the Maintenance of Order 300
 - Internalized Control 300
 - Externalized Control 301
- Holding Trials, Settling Disputes, and Punishing Crimes 301
- Violent Conflict and Warfare 303
 - Why War? 304
 - Evolution of Warfare 304
 - Armed Conflicts Today 306
 - Domination and Repression 307
 - Genocide 308
- Resistance to Domination and Repression 309
 - Violent Resistance: Rebellion and Revolution 309
 - Nonviolent Resistance: Revitalization Movements 310
- Peace through Diplomacy 310
- Politics of Nonviolent Resistance 311
 - Chapter Checklist* 312
 - Questions for Reflection* 313
 - Digging into Anthropology* 313
- ANTHROPOLOGY APPLIED:** William Ury: Dispute Resolution and the Anthropologist 303
- BIOCULTURAL CONNECTION:** Gender, Sex, and Human Violence 305

15 Spirituality and Religion 315

- Roles of Spirituality and Religion 315
- Anthropological Approach to Spirituality and Religion 317
- Myth and the Mapping of a Sacred Worldview 318
- Supernatural Beings and Spiritual Forces 318
 - Gods and Goddesses 318
 - Ancestral Spirits 319
 - Other Types of Supernatural Beings and Spiritual Forces 320
- Religious Specialists 320
 - Priests and Priestesses 320
 - Shamans 321
- Ritual Performances 324
 - Rites of Purification:
 - Taboo and Cleansing Ceremonies 324
 - Rites of Passage 325
 - Magic Rituals 326
- Sacred Sites: Saints, Shrines, and Miracles 328
 - Pilgrimages: Devotion in Motion 328
 - Desecration: Ruining Sacred Sites 330
- Cultural Dynamics in the Superstructure:
 - Religious and Spiritual Change 331
 - Revitalization Movements 331
 - Syncretic Religions 331
 - Syncretic Religions across the Atlantic: Vodou in Haiti 332
 - Secularization and Religious Pluralism 333
 - Chapter Checklist* 334
 - Questions for Reflection* 335
 - Digging into Anthropology* 335
- BIOCULTURAL CONNECTION:** Change Your Karma and Change Your Sex? By Hillary Crane 322
- ORIGINAL STUDY:** Healing among the Ju/'hoansi of the Kalahari, By Marjorie Shostak 323

16 Global Changes and the Role of Anthropology 337

- Modernization in the Age of Globalization 337
 - Cultural Revolutions: From *Terra Incognita* to Google Earth 338
 - A Global Culture? 339
 - Global Integration Processes 340
 - Pluralistic Societies and Multiculturalism 341
 - Pluralistic Societies and Fragmentation 342
 - Structural Power in the Age of Globalization 344
 - Military Hard Power 346
 - Economic Hard Power 346
 - Soft Power: A Global Media Environment 348
 - Problems of Structural Violence 349
 - Poverty 349
 - Hunger, Obesity, and Malnutrition 349
 - Pollution and Global Warming 351
 - Reactions to Globalization 352
 - Ethnic Minorities and Indigenous Peoples: Struggles for Human Rights 352
 - Anthropology's Role in Meeting the Challenges of Globalization 354
 - Chapter Checklist* 356
 - Questions for Reflection* 357
 - Digging into Anthropology* 357
 - BIOCULTURAL CONNECTION:** Toxic Breast Milk Threatens Arctic Culture 353
 - ANTHROPOLOGY APPLIED:** Paul Farmer: Anthropology and Local Health Care Worldwide 355
- Glossary* 359
- Bibliography* 367
- Index* 375
