PART I

The Nuts and Bolts of Research Design

CHAPTER 1

Introduction to Social Research

Different Ways of Knowing

Purposes of Social Research

REVIEW STOP 1

The Five Approaches to Research

REVIEW STOP 2

The Elements of Research

Philosophical Elements: What Do We Believe?

Praxis: What Do We Do?

REVIEW STOP 3

Putting It All Together

Quantitative

Qualitative

Mixed Methods Research

Arts-Based Research

Community-Based Participatory Research

CHAPTER 2

Ethics in Social Research

Values System

Historical Abuses
The Social Justice Movements
REVIEW STOP 1

Ethical Praxis

Research Design/Setup
REVIEW STOP 2
Data Collection/Generation/Content Creation
REVIEW STOP 3
Representation and Dissemination

Reflexivity

Power
Voice
Putting Reflexivity into Practice across the Five Approaches
REVIEW STOP 4

Conclusion

REVIEW STOP ANSWER KEY
