[Foreword](#)

[Acknowledgements](#)

Introduction

[Risk management in context](#)

[Nature of risk](#)

[Risk management](#)

[Risk management terminology](#)

[Benefits of risk management](#)

[Features of risk management](#)

[Book structure](#)

[Risk management in practice](#)

[Future for risk management](#)

[Changes for the fifth edition](#)

PART ONE Introduction to risk management

[Learning outcomes for Part One](#)

[Part One further reading](#)

[Part One case studies](#)

[Rank Group: How we manage risk](#)

[ABIL: Risk management overview](#)

[BIS: Approach to risk](#)

01 Approaches to defining risk

[Definitions of risk](#)

[Types of risks](#)

[Risk description](#)

[Inherent level of risk](#)

[Risk classification systems](#)

Risk likelihood and magnitude

02 Impact of risk on organizations

[Level of risk](#)

[Impact of hazard risks](#)

[Attachment of risks](#)

[Risk and reward](#)

[Attitudes to risk](#)

[Risk and triggers](#)

03 Types of risks

[Timescale of risk impact](#)

[Four types of risk](#)

[Embrace opportunity risks](#)

[Manage uncertainty risks](#)

[Mitigate hazard risks](#)

[Minimize compliance risks](#)

04 Scope of risk management

[Origins of risk management](#)
[Development of risk management](#)
[Specialist areas of risk management](#)
[Simple representation of risk management](#)
[Enterprise risk management](#)
[Levels of risk management sophistication](#)

05 Principles and aims of risk management

[Principles of risk management](#)
[Importance of risk management](#)
[Risk management activities](#)
[Effective and efficient core processes](#)
[Implementing risk management](#)
[Achieving benefits](#)

PART TWO Approaches to risk management

[Learning outcomes for Part Two](#)
[Part Two further reading](#)
[Part Two case studies](#)

[United Utilities: Our risk management framework](#)
[Birmingham City Council: Scrutiny, accountability and risk management](#)
Tsogo Sun: Risk management process

06 Risk management standards

[Scope of risk management standards](#)
[Risk management process](#)
[Risk management context](#)
[COSO ERM cube](#)

[Revised ISO 31000 \(2018\)](#)
[Updating of RM terminology](#)

07 Establishing the context

[Scope of the context](#)
[External context](#)
[Internal context](#)
[Risk management context](#)
[Designing a risk register](#)
[Using a risk register](#)

08 Enterprise risk management

[Enterprise-wide approach](#)
[Definitions of ERM](#)
[ERM in practice](#)
[ERM and business continuity](#)
[ERM in energy and finance](#)
[Integrating strategy and performance](#)

09 Alternative approaches

[Changing face of risk management](#)
[Managing emerging risks](#)
[Increasing importance of resilience](#)
[Different approaches](#)
[Structure of management standards](#)
[Future of risk management](#)

PART THREE Risk assessment

[Learning outcomes for Part Three](#)

[Part Three further reading](#)

[Part Three case studies](#)

[AA: Risk governance](#)

[British Land: Our assessment of risk is a cornerstone](#)

[Guide Dogs NSW/ACT: List of major residual risks](#)

10 Risk assessment considerations

[Importance of risk assessment](#)

[Approaches to risk assessment](#)

[Risk assessment techniques](#)

[Nature of the risk matrix](#)

[Risk perception](#)

[Attitude to risk](#)

11 Risk classification systems

[Short-, medium- and long-term risks](#)

[Nature of risk classification systems](#)

[Examples of risk classification systems](#)

[FIRM risk scorecard](#)

[PESTLE risk classification system](#)

[Compliance, hazard, control and opportunity](#)

12 Risk analysis and evaluation

[Application of a risk matrix](#)

[Inherent and current level of risk](#)

[Control confidence](#)

[4Ts of hazard risk response](#)

[Risk significance](#)

[Risk capacity](#)

13 Loss control

Risk likelihood

Risk magnitude

Hazard risks

Loss prevention

Damage limitation

Cost containment

14 Defining the upside of risk

Upside of risk

Opportunity assessment

Riskiness index

Upside in strategy

Upside in projects

Upside in operations

PART FOUR Risk response

Learning outcomes for Part Four

Part Four further reading

Part Four case studies

Intu Properties: Insurance renewal

The Walt Disney Company: Disclosures about market risks

Australian Mines Limited: Risk assessment and management

15 Tolerate, treat, transfer and terminate

The 4Ts of hazard response

[Tolerate risk](#)
[Treat risk](#)
[Transfer risk](#)
[Terminate risk](#)
[Strategic risk response](#)

16 Risk control techniques

[Types of controls](#)
[Hazard risk zones](#)
[Preventive controls](#)
[Corrective controls](#)
[Directive controls](#)
[Detective controls](#)

17 Insurance and risk transfer

[Importance of insurance](#)
[History of insurance](#)
[Types of insurance cover](#)
[Evaluation of insurance needs](#)
[Purchase of insurance](#)
[Captive insurance companies](#)

18 Business continuity

[Business continuity management](#)
[Business continuity standards](#)
[Successful business continuity](#)
[Business impact analysis \(BIA\)](#)
[Business continuity and ERM](#)
[Civil emergencies](#)

PART FIVE Risk strategy

Learning outcomes for Part Five

Part Five further reading

Part Five case studies

AMEC Foster Wheeler: Principal risks and uncertainties

BBC: Internal controls assurance

Emperor Watch & Jewellery: Risk management

19 Core business processes

Dynamic business models

Types of business processes

Strategy and tactics

Effective and efficient operations

Ensuring compliance

Reporting performance

20 Reputation and the business model

Components of the business model

Risk management and the business model

Reputation and corporate governance

CSR and risk management

Supply chain and ethical trading

Importance of reputation

21 Risk management context

Architecture, strategy and protocols

Risk architecture

[Risk management strategy](#)
[Risk management protocols](#)
[Risk management manual](#)
[Risk management documentation](#)

22 Risk management responsibilities

[Allocation of responsibilities](#)
[Range of responsibilities](#)
[Statutory responsibilities of management](#)
[Role of the risk manager](#)
[Risk architecture in practice](#)
[Risk committees](#)

23 Control of selected hazard risks

[Cost of risk controls](#)
[Learning from controls](#)
[Control of financial risks](#)
[Control of infrastructure risks](#)
[Control of reputational risks](#)
[Control of marketplace risks](#)

PART SIX Risk culture

[Learning outcomes for Part Six](#)
[Part Six further reading](#)
[Part Six case studies](#)

[Network Rail: Our approach to risk management](#)
[Ekurhuleni Metropolitan Municipality \(EMM\): Risk management](#)
[Ericsson: Corporate governance report](#)

24 Risk-aware culture

[Styles of risk management](#)

[Steps to successful risk management](#)

[Defining risk culture](#)

[Measuring risk culture](#)

[Alignment of activities](#)

[Risk maturity models](#)

25 Importance of risk appetite

[Nature of risk appetite](#)

[Risk appetite and the risk matrix](#)

[Risk and uncertainty](#)

[Risk exposure and risk capacity](#)

[Risk appetite statements](#)

[Risk appetite and lifestyle decisions](#)

26 Risk training and communication

[Consistent response to risk](#)

[Risk training and risk culture](#)

[Risk information and communication](#)

[Shared risk vocabulary](#)

[Risk information on an intranet](#)

[Risk management information systems \(RMIS\)](#)

27 Risk practitioner competencies

[Competency frameworks](#)

[Range of skills](#)

[Communication skills](#)

[Relationship skills](#)

[Analytical skills](#)

[Management skills](#)

PART SEVEN Risk governance

[Learning outcomes for Part Seven](#)

[Part Seven further reading](#)

[Part Seven case studies](#)

[Severn Trent Water: Our approach to risk](#)

[Tim Hortons: Sustainability and responsibility](#)

[DCMS: Capacity to handle risk](#)

28 Corporate governance model

[Corporate governance](#)

[OECD principles of corporate governance](#)

[LSE corporate governance framework](#)

[Corporate governance for a bank](#)

[Corporate governance for a government agency](#)

[Evaluation of board performance](#)

29 Stakeholder expectations

[Range of stakeholders](#)

[Stakeholder dialogue](#)

[Stakeholders and core processes](#)

[Stakeholders and strategy](#)

[Stakeholders and tactics](#)

[Stakeholders and operations](#)

30 Operational risk management

[Operational risk](#)

[Definition of operational risk](#)
[Basel II and Basel III](#)
[Measurement of operational risk](#)
[Difficulties of measurement](#)
[Developments in operational risk](#)

31 Project risk management

[Introduction to project risk management](#)
[Development of project risk management](#)
[Uncertainty in projects](#)
[Project lifecycle](#)
[Opportunity in projects](#)
[Project risk analysis and management](#)

32 Supply chain management

[Importance of the supply chain](#)
[Scope of the supply chain](#)
[Strategic partnerships](#)
[Joint ventures](#)
[Outsourcing of operations](#)
[Risk and contracts](#)

PART EIGHT Risk assurance

[Learning outcomes for Part Eight](#)
[Part Eight further reading](#)
[Part Eight case studies](#)

[Unilever: Our risk appetite and approach to risk management](#)
[Colgate Palmolive: Damage to reputation](#)

Sainsbury's and Tesco: Principal risks and uncertainties

33 The control environment

Nature of internal control

Purpose of internal control

Control environment

Features of the control environment

CoCo framework of internal control

Good safety culture

34 Risk assurance techniques

Audit committees

Role of risk management

Risk assurance

Risk management outputs

Control risk self-assessment

Benefits of risk assurance

35 Internal audit activities

Scope of internal audit

Role of internal audit

Undertaking an internal audit

Risk management and internal audit

Management responsibilities

Five lines of assurance

36 Reporting on risk management

Risk reporting

Sarbanes–Oxley Act of 2002

[Risk reports by US companies](#)

[Charities' risk reporting](#)

[Public-sector risk reporting](#)

[Government report on national security](#)

[*Appendix A: Abbreviations and acronyms*](#)

[*Appendix B: Glossary of terms*](#)

[*Appendix C: Implementation guide*](#)

[*Index*](#)

[*Backcover*](#)
