INTRODUCTION	1
About This Book	2
Foolish Assumptions	3
Icons Used in This Book	3
Beyond the Book	3
Where to Go from Here	4
PART 1: GETTING STARTED WITH PERFORMANCE MANAGEMENT	5
CHAPTER 1: Introducing Performance Management	7
Why Do You Need Performance Management? To Succeed (of Course)	8
Why performance management is alive and well	8
Imagining an organization without performance management	10
Making Performance Management Work in Your Business	10
Distinguishing performance management from performance appraisal	10
Adapting performance management to today's reality	11
Adapting performance management for different generations	14
Designing and Implementing a Performance Management System	14
Step 1: Establishing prerequisites	15
Step 2: Planning performance	20
Step 3: Executing performance	22
Step 4: Assessing performance	23
Step 5: Reviewing performance	25
CHAPTER 2: Making the Case for Performance Management	29
Using Performance Management to Achieve Multiple Purposes	30
Strategic objectives	30
Administrative objectives	30
Informational objectives	30
Developmental objectives	31
Organizational maintenance objectives	31
Documentation objectives	33

Answering the “What’s in It for Me” Question	33
Convincing top management of performance management’s value	34
Building support in the entire organization	34
Realizing the awesome benefits of performance management	36
What an Ideal Performance Management System Looks Like	39
Contextual issues: Making everything fit	39
Practical issues: Striving for effectiveness and fairness	41
Technical issues: Sweating the details	42
Taking Care of Talent Management Functions	45
Training and development	45
Workforce planning	46
Compensation	46
CHAPTER 3: Designing and Implementing Effective Performance Management	47
Ensuring Performance Management Delivers Strategic Value	48
Key ingredients of a strategic recipe	48
Making performance management strategic	49
Developing Performance Management Leadership Skills	50
Becoming an effective coach	51
Giving effective feedback	52
Defining and Measuring Performance	54
Measuring performance as behaviors	55
Measuring performance as results	55
Developing Employee Performance	56
Creating development plans	56
Implementing development plans	57
Assessing Performance Management Effectiveness	57
Using quantitative measures	58
Using qualitative measures	58
CHAPTER 4: Anticipating and Minimizing Negative Consequences	61
Anticipating Damage Caused by Flawed Performance Management	63
Damage caused to employees	63
Damage caused to managers	63
Damage caused to relationships	63
Damage caused to the organization	64
Learning from Flawed Performance Ratings	64
Why Performance Ratings Are Here to Stay	65

Setting Up an Appeals Process	66
Dealing with judgmental and administrative issues.	66
Setting up a three-level appeals process.	67
Setting Up a Communication Plan and Dealing with Resistance to Change	70
Questions that your communication plan should answer	70
Dealing with cognitive biases.	73
PART 2: DESIGNING AN EFFECTIVE PERFORMANCE MANAGEMENT SYSTEM	77
CHAPTER 5: Delivering Strategic Business Results.	79
Linking Performance Management with Strategic Business Objectives	80
Making sure the strategic plan does what it is supposed to do	80
Making sure HR does what it is supposed to do.	84
Conducting an External and Internal Analysis of Strengths, Weaknesses, Opportunities, and Threats	86
Analyzing the external environment.	86
Analyzing the internal environment.	88
Conducting a gap analysis	89
Creating and Understanding Your Organization's Mission and Vision	91
Creating your mission.	91
Creating your vision	91
Setting Up Objectives and Strategies Based on Your Mission and Vision	94
Setting up objectives.	95
Setting up strategies	96
Linking Your Organization's and Unit's Strategic Plans with Job Descriptions	96
Linking the strategy of the organization and its units	97
Linking the organization and units with job descriptions	98
CHAPTER 6: Becoming a Performance Management Leader	101
Becoming an Effective Coach.	101
Four guiding principles of effective coaches	102
Seven behaviors of effective coaches.	103
Understanding your coaching style	105
Observing and Documenting Performance.	106
Why documenting performance is so important	108
Documenting performance accurately.	109

Giving Feedback Effectively	110
Making sure feedback serves a purpose	110
Avoiding the very high cost of NOT providing feedback	111
Making sure feedback is beneficial.	112
An example of effective feedback.	113
Giving praise.	115
An example of effective praise	115
Giving constructive feedback.	116
Giving feedback to Millennials, Post Millennials, and Baby Boomers	118
CHAPTER 7: Defining Performance	121
Performance Is All about Behaviors and Results	121
Defining performance as behaviors	122
Defining performance as results.	123
Causes for Excellent and Poor Performance.	123
How individual differences affect performance	124
How knowledge and skills affect performance.	126
How context affects performance	127
Anticipating performance problems.	129
Focusing on Four Different Performance Dimensions	130
Task and contextual performance	131
Key differences between task and contextual performance	133
Counterproductive performance	134
Adaptive performance	136
When to Define Performance as Behaviors or Results and Why	137
When to define performance as behaviors.	137
When to define performance as results.	138
CHAPTER 8: Measuring Performance as Results	143
Measuring Performance as Results	143
Determining accountabilities and their importance	144
Determining objectives.	146
Choosing a Measurement System Congruent with Context.	149
Considering the role of organizational culture	149
Considering the role of industry trends.	150
Considering the role of leadership	150
CHAPTER 9: Measuring Performance as Behaviors	151
Measuring Competencies.	151
Measuring two types of competencies.	152
Describing competencies	154

Measuring Behaviors Using Comparative Systems	155
Rank order	155
Alternation rank order	155
Paired comparisons	156
Relative percentile	156
Forced distribution	156
Considering Advantages and Disadvantages of Comparative Systems	158
Anticipating problems caused by forced distributions	159
Understanding the shape of the performance distribution and producing star performers	161
Measuring Behaviors Using Absolute Systems	163
Essays	163
Behavior checklists	164
Using a graphic rating scale system	169
CHAPTER 10: Using Performance Management Analytics	173
The Jury Is Out: All Firms Collect Performance Data	174
Why all organizations collect performance data	174
Setting the evaluation period	176
Including Critical Components in Effective Performance Appraisal Forms	177
Saying goodbye to paper performance evaluation forms	177
Nine critical components of effective evaluation forms	177
Evaluating the components of a sample evaluation form	179
Including Critical Characteristics to Make Evaluation Forms Effective	182
Eight critical characteristics of effective evaluation forms	183
Evaluating the characteristics of a sample evaluation form	184
Computing Overall Performance Score	185
Using judgmental and mechanical procedures to compute overall score	185
Using Multiple Performance Touchpoints	189
Using supervisors	189
Using peers	190
Using direct reports	191
Using employees themselves	192
Using customers	193
Using electronic performance monitoring	193
CHAPTER 11: Minimizing Rating Distortion	197
Dealing with Disagreements across Performance Touchpoints	197
Why disagreements across performance touchpoints is not always a problem	198
Dealing with disagreements when giving feedback	198

Minimizing Intentional Rating Distortion	199
Understanding rater motivation	199
Why raters inflate ratings	200
Why raters deflate ratings	201
Increasing accountability in performance ratings	202
Minimizing Unintentional Rating Distortion	203
Designing rater error training	203
Designing frame of reference training	206
Designing behavioral observation training	208

PART 3: IMPLEMENTING PERFORMANCE MANAGEMENT EFFECTIVELY 209

CHAPTER 12: Creating and Implementing Personal Development Plans	211
Creating Personal Development Plans	211
Using development plans to answer four key career questions	212
Using development plans to improve your short- and long-term career goals	212
Using development plans for succession planning	214
Setting your development plan objectives	214
Setting the content of your development plan	216
Setting the activities of a development plan	218
Facilitating Employee Development	221
Performing five functions in the development process	223
Using the feedforward interview	223
Motivating supervisors to facilitate employee development	225
Using Multisource Feedback Systems in Implementing Development Plans	227
Maximizing benefits of multisource feedback systems	228
Minimizing risks of multisource feedback systems	229
Deciding whether a multisource feedback systems will work in your organization	230
Implementing a state-of-the-science multisource feedback system	231
CHAPTER 13: Conducting Effective Review, Disciplinary, and Termination Meetings	233
Conducting Effective Review Meetings	234
Setting up review meetings	234
Implementing an optimal sequence for review meetings	236
Dealing with employee defensiveness	238

Making the Tough Calls: Disciplinary Process and Organizational Exit	241
Offering decision-making leave	241
Avoiding five common pitfalls in the disciplinary process.	243
Dealing with terminations	244
CHAPTER 14: Implementing Team Performance Management	247
Not All Teams Are Created Equal	248
Reasons why teams exist in all organizations.	248
Designing a State-of-the Science System.	249
Anticipating dangers of poorly designed systems	250
Setting necessary conditions for an effective system	251
Implementing a system for virtual teams	251
Accountability as a key purpose of team performance management	254
Implementing a State-of-the-Science System	255
Step 1: Establishing prerequisites.	257
Step 2: Performance planning.	259
Step 3: Performance execution	260
Step 4: Performance assessment	261
Step 5: Performance review.	263
Connecting team performance management with team rewards.	265
CHAPTER 15: Evaluating Your System	269
Pilot Testing the Performance Management System.	269
Reasons for doing a pilot test	270
Selecting the pilot test group.	270
Ongoing Monitoring and Evaluation of the Performance Management System	271
What to measure.	272
How to measure	273
PART 4: CONNECTING PERFORMANCE MANAGEMENT WITH REWARDS AND THE LAW	275
CHAPTER 16: Offering Financial and Nonfinancial Rewards	277
Not All Rewards Are Created Equal.	278
Financial rewards.	278
Nonfinancial rewards	278
Different Types of Financial Rewards.	278
Base pay	278
Cost-of-living adjustments and contingent pay	279

Short-term incentives	279
Long-term incentives	280
Income protection	281
Allowances	281
Different Types of Nonfinancial Rewards	282
Relational	282
Work-life focus	283
Linking Performance Management with Different Types of Rewards	283
Rewards with low dependency on performance management	284
Rewards with high dependency on performance management	284
Rewards with moderate dependency on performance management	285
CHAPTER 17: Setting Up an Effective Pay System	287
Setting Up Traditional and Contingent Pay Plans	287
Traditional pay plans	288
Contingent pay plans	289
Implementing Contingent Pay Plans	289
The benefits of CP plans	290
Reasons why contingent pay plans fail	291
Selecting a Contingent Pay Plan	294
Traditional versus involvement cultures	295
Strategic direction	296
What pay can and cannot do about improving performance. . .	297
Turning recognition and other nonfinancial incentives into rewards.	301
CHAPTER 18: Staying on the Right Side of the Law	305
Implementing the Golden Rule	306
Implementing the golden rule around the world	306
When the golden rule breaks down	306
Six Legal Principles Affecting Performance Management.	307
Employment at will	307
Negligence	308
Defamation.	309
Misrepresentation	310
Adverse impact/unintentional discrimination.	311
Illegal discrimination/disparate treatment	311
Laws Affecting Performance Management	313
Laws affecting performance management around the world . . .	314
Lawful performance management in global organizations	315
Putting it all together: A legally defensible performance management system	315

PART 5: THE PART OF TENS	317
CHAPTER 19: Ten Reasons for Implementing Effective Performance Management	319
Six Useful Purposes.....	319
Self-Insights, Development, Motivation, and Self-Esteem.....	320
Better Understanding of Job Requirement	320
More Employee Engagement and Voice Behavior	321
Improved Commitment and Decreased Turnover.....	321
Early Detection of Performance Declines and Less Employee Misconduct	321
Differentiation between Good and Poor Performers	322
Common Understanding of What Is Good Performance	322
More Fair and Legally Defensible Administrative Decisions	322
Easier Organizational Change	323
CHAPTER 20: Ten Key Factors for Delivering Outstanding Results	325
Congruence with Strategy and Context	325
Thoroughness and Inclusiveness	326
Meaningfulness	326
Practicality	327
Reliability, Validity, and Specificity	327
Identification of Effective and Ineffective Performance.....	327
Standardization and Thoroughness	328
Openness	328
Correctability	328
Acceptability, Fairness, and Ethicality.....	329
CHAPTER 21: Ten Tips for Becoming a Great Performance Management Leader	331
Become an Effective Coach	331
Develop a Good Coaching Relationship and Facilitate Employee Growth	332
Understand Your Own Coaching Style.....	332
Make the Employee the Director of Change.....	333
Learn How to Evaluate Performance Accurately	333
Document Performance Accurately	333
Give Feedback Effectively.....	334
Conduct Effective Performance Review Meetings	334
Be Fair and Direct in the Disciplinary Process.....	335
Be Fair and Direct in the Termination Process	335
INDEX	337
