Emerging economy MNEs – significant but exaggerated	28
Dominance of the triad continues	30
Small and medium-sized enterprises	32
The fragmented firm: global value chains and production networks	33
Outsourcing, offshoring and nearshoring	35
Key points	36
Key terms	36
Notes	37
Bibliography	38

Chapter 2 General Frameworks in International Business 39

Objectives of the chapter	39
■ Active Learning Case	
<i>Starbucks: a global 'coffee culture'</i>	41
Introduction	42
Firm-specific advantages/ownership advantages	43
A classification of O advantages	43
Location advantages/country-specific advantages	46
A classification of L advantages	46
■ International Business Strategy in Action	
<i>US manufacturing: from China to Mexico</i>	49
The eclectic paradigm: putting it all together	51
Strategic management of MNEs: an introduction	52
Steps in the strategic management process	52
A framework for global strategies: the FSA–CSA matrix	54
The FSA–CSA matrix	55
Why firms become MNEs	57
How do firms engage in international activities?	61
Entry modes	65
Non-equity entry modes	65
Equity entry modes	66
Collaborative agreements/strategic alliances	69

International new ventures and 'born global' firms	73
The international activities of SMEs	73
The practical challenges for internationalising SMEs	75
■ International Business Strategy in Action	
<i>Worrying times for Singapore's SMEs</i>	76
How do SME managers know which markets to enter?	77
Modes of entry and adaptation for success in foreign markets	78
Key points	80
Key terms	81
■ Real Cases	
<i>Walmart Inc.</i>	81
<i>Back again? IKEA's re-entry into Japan</i>	83
Notes	84
Bibliography	86

Chapter 3

Multinational Enterprises, Innovation and Competitiveness **88**

Objectives of the chapter	88
■ Active Learning Case	
<i>GE Healthcare in India: locally driven innovation</i>	89
Introduction	90
Trends in innovation at the country and firm level	91
The resource-based view (RBV) and the VRIO framework	97
Resources and capabilities	97
The VRIO framework	97
Dynamic capabilities	102
Quick learning/incremental learning	103
Integration of new assets/radical learning	103
Modification and transformation of new organisational assets	104
Dynamic capabilities and small firms	104
■ International Business Strategy in Action	
<i>Spreadshirt: open innovation</i>	105
Innovation and location advantages	106
International dimensions of innovation	108
The location of innovation activities in the MNE	110
■ International Business Strategy in Action	
<i>Innovation networks at IBM</i>	113
The innovative MNE as a differentiated network	115
Key points	116
Key terms	116
■ Real Cases	
<i>Canon Group</i>	116
<i>R&D at Hewlett-Packard</i>	118
Notes	119
Bibliography	121

Part Two

THE ENVIRONMENT OF INTERNATIONAL BUSINESS

Chapter 4	125
International Politics	125
Objectives of the chapter	125
■ Active Learning Case	
<i>How risky is foreign investment in Russia?</i>	126
Introduction	127
Political ideologies and economics	128
Political systems	128
Economic systems	129
Government control of assets	130
■ International Business Strategy in Action	
<i>Greece: third (bailout) time lucky</i>	130
Government-business cooperation	131
Japan and EU assistance	131
US competitiveness	132

Trade creation and trade diversion	133
Levels of economic integration	133
Economic integration: an overall perspective	135
Ethics, environment, MNEs and the civil society	135
■ International Business Strategy in Action	
<i>Businesses and NGOs work together on climate change</i>	136
The European Union (EU)	137
Other examples of economic integration	140
Key points	141
Key terms	142
Review and discussion questions	142
■ Real Cases	
<i>How environmental regulations can be used as trade barriers</i>	143
<i>Turkish lira in crisis: record low in 2018</i>	144
Notes	145
Bibliography	145
Chapter 5	147
International Culture	147
Objectives of the chapter	147
■ Active Learning Case	
<i>Cultures clash as big pharma gets bigger</i>	148
Introduction	149
What is culture?	150
The importance of culture in different business contexts	151
Culture has always been important	153

■ International Business Strategy in Action	
<i>McDonald's</i>	153
National stereotypes and key dimensions of culture	155
Culture at two levels	155
Hofstede's four dimensions of culture	155
Trompenaars' seven dimensions of culture	156
The GLOBE project's nine dimensions of culture	158
Applying the national culture frameworks	159
'The way we do things here': the implications of cultural differences for organisations and managers	160
Cross-cultural management	162
Organisation	163
Leadership	163
Communication	164
The corporate response	164
Multinational organisation structures: imperialist or independent?	165
Culture clash in cross-border M&A and joint ventures	167
■ International Business Strategy in Action	
<i>The collective culture of John Lewis & Partners</i>	168
Culture embodied in national institutions	169
France: cultural and social characteristics that create a national distinctiveness	170
Key points	171
Key terms	172
Review and discussion questions	172
■ Real Cases	
<i>Konami is watching its employees</i>	173
<i>Sport can be local and global: Manchester United</i>	174
Notes	176
Bibliography	177
Chapter 6	
International Trade	179
Objectives of the chapter	179
■ Active Learning Case	
<i>US—China trade war: battle of the giants</i>	180
Introduction	182
International trade theory	183
Theory of absolute advantage	183
Theory of comparative advantage	184
Factor endowment theory	186
International product life cycle theory	186
Other important considerations	187
■ International Business Strategy in Action	
<i>Microsoft shows the world is not flat</i>	188
Barriers to trade	190
Reasons for trade barriers	190
Commonly used barriers	190
Tariffs	192

■ International Business Strategy in Action	
<i>Brexit: A sharp lesson in the importance of trade interdependencies</i>	193
Non-tariff barriers to trade	195
Quotas	196
'Buy national' restrictions	196
Customs valuation	196
Technical barriers	196
Anti-dumping legislation, subsidies and countervailing duties	197
Agricultural products	197
Export restraints	197
Other economic developments	198
Countertrade	198
Trade in services	198
Free trade zones	199
Key points	200
Key terms	200
Review and discussion questions	201
■ Real Cases	
<i>China's Rare Earth Minerals</i>	202
<i>Dumping on trade complaints</i>	203
Notes	204
Bibliography	204
Appendix: Balance of payments	205

Chapter 7

International Financial Markets and Institutions

215

Objectives of the chapter	215
■ Active Learning Case	
<i>Barclays Bank international financial dealings</i>	216
Introduction	217
Foreign exchange markets	218
Foreign exchange markets in the United States	219
Determination of the exchange rate	224
Purchasing power parity	224
International Fisher effect	225
Combined equilibrium relationships	225
Other factors determining exchange rates	226
Protecting against exchange risk	227
Alternatives to minimise exchange risk	228
■ International Business Strategy in Action	
<i>The Big Four</i>	228
Foreign money and capital markets	231
MNEs and national money markets	231
MNEs and national capital markets	232
Regional money and capital markets	232
The eurocurrency market	232
Eurocurrency interest rates	233
Other market characteristics	234
Criticisms of the euromarkets	234

Eurobonds and euroequities	235
■ International Business Strategy in Action <i>AngloGold Ashanti</i>	236
The IMF system	236
Unresolved problems with the IMF system	238
MNEs and international financial markets and institutions	238
Key points	239
Key terms	239
Review and discussion questions	239
■ Real Cases	
<i>HSBC</i>	240
<i>Slowdown in China: Global financial markets and contagion effects</i>	241
Notes	245
Bibliography	246

Part Three

INTERNATIONAL BUSINESS STRATEGIES

Chapter 8 Multinational Strategy 251

Objectives of the chapter	251
■ Active Learning Case <i>Vodafone and the triad telecom market</i>	252
Introduction	253
Strategic orientations	255
■ International Business Strategy in Action <i>Tesco at home and abroad</i>	256
Strategy formulation	258
External environmental assessment	258
Internal environmental assessment	262
Goal setting	265
Strategy implementation	266
Location	266
■ International Business Strategy in Action <i>Fuji Xerox and Xerox</i>	266
Ownership	267
Functional strategies	269
Control and evaluation	269
Common methods of performance measurement	270
Key points	272
Key terms	272
Review and discussion questions	272
■ Real Cases	
<i>3M</i>	273
<i>Social media: Serengetee</i>	274
Notes	275

Bibliography	276
Appendix: Regional aspects of multinationality and performance	277

Chapter 9 Organising Strategy 282

Objectives of the chapter	282
■ Active Learning Case <i>Procter & Gamble</i>	283
Introduction	284
Organisation structures	285
Early organisation structures	285
■ International Business Strategy in Action <i>Sanofi-Aventis</i>	287
The international division	288
Global organisation structures	289
■ International Business Strategy in Action <i>Baker Tilly changes its name to RSM</i>	294
Strategic management and organising strategy	297
Analysis of key structural variables	297
Coordination	298
Key points	301
Key terms	302
Review and discussion questions	302
■ Real Cases	
<i>LVMH: organising luxury products in the international arena</i>	303
<i>Maersk Group</i>	304
Notes	307
Bibliography	307

Chapter 10 Corporate Strategy and National Competitiveness 309

Objectives of the chapter	309
■ Active Learning Case <i>Worldwide operations and local strategies of ABB</i>	310
Introduction	311
The single diamond	312
Determinants and external variables	312
Critique and evaluation of the model	313
The double diamond	315
Canada and the double diamond	315
■ International Business Strategy in Action <i>Nokia and Ericsson: moving beyond mobiles</i>	318
Mexico and the double diamond	319
Integration and responsiveness	322
Integration versus national responsiveness	322

■ International Business Strategy in Action	
<i>Renewed advantage through vertical integration at Floreal Knitwear</i>	323
Balancing the trade-offs	324
Key points	325
Key terms	326
Review and discussion questions	326
■ Real Cases	
<i>The global beer industry: decline and growth at the same time?</i>	327
IBM	329
Notes	331
Bibliography	331

Part Four

FUNCTIONAL AREA STRATEGIES

Chapter 11 Production Strategy 335

Objectives of the chapter	335
■ Active Learning Case	
<i>GE production: from Six Sigma to the GE Store</i>	336
Introduction	337
Research, development and innovation	338
Speed-to-market	340
Generation of goods and services	342
Global sourcing	342
■ International Business Strategy in Action	
<i>H&M learning from Zara</i>	343
Manufacturing of goods	346
■ International Business Strategy in Action	
<i>Magna International Inc.</i>	346
Developing a strong service orientation	352
International logistics	354
Transportation	354
Packaging	355
Storage	356
Different kinds of global production systems	356
Strategic management and production strategy	357
Technology and production design	358
Continuous improvement	358
Productivity	358
Key points	359
Key terms	359
Review and discussion questions	360
■ Real Cases	
<i>Flextronics</i>	360
Nike	362
Notes	363
Bibliography	363

Chapter 12 Marketing Strategy 365

Objectives of the chapter	365
■ Active Learning Case	
<i>Adidas: promoting a global sports brand</i>	366
Introduction	369
International market assessment	369
Initial screening: basic need and potential	369
Second screening: financial and economic conditions	370
Third screening: political and legal forces	371
Fourth screening: socio-cultural forces	371
Fifth screening: competitive environment	371
Final selection	371
Product strategies	372
Little or no modification	372
Moderate to high modification	373
■ International Business Strategy in Action	
<i>Weeby buys Tappy</i>	375
Promotion	376
Nature of the product	376
Advertising	377
■ International Business Strategy in Action	
<i>The 2018 retail crisis catches up with Marks & Spencer</i>	377
Personal selling	379
Pricing	380
Government controls	380
Market diversity	380
Currency fluctuations	381
Price escalation forces	381
Place	382
Different distribution systems	382
Choosing the best distribution system	383
Strategic management and marketing strategy	383
Ongoing market assessment	383
Internet marketing and 'open innovation'	387
Key points	389
Key terms	389
Review and discussion questions	390
■ Real Cases	
<i>Bang & Olufsen</i>	390
<i>Mirum – never lose your sense of wonder!</i>	392
Notes	393
Bibliography	393

Chapter 13 Human Resource Management Strategy 396

Objectives of the chapter	396
■ Active Learning Case	
<i>The Coca-Cola Company thinks local</i>	397
Introduction	398

Selection and repatriation	399	International Business Strategy in Action	
International screening criteria and selection procedures	399	<i>Intel effect</i>	442
Repatriation of expats	401	Transparency and corruption: politically sensitive political risk	446
Training and development	403	Strategic management and political risk	448
Types of training	403	Use of integrative and protective/defensive techniques	448
■ International Business Strategy in Action		Key points	451
<i>The glass ceiling</i>	404	Key terms	452
Compensation	406	Review and discussion questions	452
Common elements in an international compensation package	406	■ Real Cases	
Compensation trends and comparisons	408	<i>Huawei accused of spying</i>	453
Labour relations	409	<i>Problems with ports</i>	454
Labour relations practices	410	Notes	456
■ International Business Strategy in Action		Bibliography	457
<i>Primark: putting global stakeholders first</i>	411	www resources	458
Industrial democracy	413	Chapter 15	
Strategic management and IHRM strategies	414	International Financial Management	459
Language training	414	Objectives of the chapter	459
Cultural adaptation	415	■ Active Learning Case	
Competitive compensation	416	<i>Financial transparency at Siemens</i>	460
Specially designed HRM programmes	417	Introduction	461
Key points	417	Determining parent–subsidiary relationships	463
Key terms	418	Polycentric solution	463
Review and discussion questions	418	Ethnocentric solution	463
■ Real Cases		Geocentric solution	463
<i>India's role in the global offshoring economy</i>	419	Managing global cash flows	464
<i>Executive search firms</i>	420	Internal funds flows	464
Notes	422	Funds positioning techniques	465
Bibliography	422	Multilateral netting	467
Chapter 14		■ International Business Strategy in Action	
Political Risk and Negotiation Strategy	424	<i>Worldwide tax havens</i>	470
Objectives of the chapter	424	Managing cash	471
■ Active Learning Case		■ International Business Strategy in Action	
<i>Nestlé in Nigeria</i>	425	<i>Sovereign wealth funds</i>	473
Introduction	426	Exchange risk management	475
Generic PEST analysis	426	Transaction risk	475
Political risk	428	Translation risk	475
Deregulation and political risk	429	Economic risk	475
The nature of political risk	430	An example of exchange risk management	477
Sources of political risk	431	Developing forecasting and reporting systems	479
Country analysis and political risk assessment	432	Capital budgeting in the MNE	480
Online risk information resources	432	Use of NPV	481
Quantifying risk vulnerability	433	Institutional features	483
Accounting for country risk	437	International financing in the MNE	483
Negotiation strategies	438	Financial structure	484
Behavioural characteristics of the participants in negotiations	440	Control: identifying objectives, evaluating affiliate performance and making performance consistent with goals	485
■ International Business Strategy in Action		Strategic international finance	486
<i>From riches to rags: the decline of the Venezuelan oil industry</i>	441	Establishing overseas operations	486

Reducing financial risk	487
Key points	487
Key terms	487
Review and discussion questions	488
■ Real Cases	
<i>Carillion's collapse</i>	489
<i>M-Pesa: Kenya's mobile money service leapfrogging traditional banks</i>	490
Notes	493
Bibliography	493

Part Five

REGIONAL STRATEGIES

Chapter 16 European Union 497

Objectives of the chapter	497
■ Active Learning Case	
<i>Brexit troubles for Jaguar Land Rover</i>	498
The EU: origins and environment	501
Emergence of a Single European Market	503
Productivity and competitiveness: how does the EU compare?	505
■ International Business Strategy in Action	
<i>VW diesel dispute</i>	509
Accessing and adapting to EU markets	510
Strategic acquisitions and alliances	513
Marketing considerations	513
■ International Business Strategy in Action	
<i>The future is Orange</i>	513
Producing products and services in the EU	516
Management considerations	518
Barriers to EU market access	519
Key points	521
Key terms	521
Review and discussion questions	521
■ Real Cases	
<i>Accor budget hotels</i>	522
<i>Carrefour</i>	523
Notes	525
Bibliography	525

Chapter 17 Japan 527

Objectives of the chapter	527
■ Active Learning Case	
<i>Doing business in Japan</i>	528
Introduction	530

Political, social and cultural characteristics	530
A traditionally strong government	
role in the economy	530
Distinctive cultural characteristics	531
Economy and business	533
Japan and China: the new Asian powerhouse?	538
Business characteristics	539
Manufacturing strengths	539
Strong applied R&D	540
<i>Keiretsu</i>	540
■ International Business Strategy in Action	
<i>Kirin Beer goes international</i>	542
Distribution, retailing and customer orientation	543
Japanese corporations	543
A changing nation	546
Restructuring capital markets	546
Deregulation, increased M&A and inward FDI	547
■ International Business Strategy in Action	
<i>Walmart takes Seiyu</i>	549
Restructuring corporations	550
The decline of manufacturing and distribution <i>keiretsu</i>	551
The growth of outward FDI and offshore manufacturing	551
The decline of lifetime employment and changing HRM practices	552
Diversification strategies	552
Conclusions	553
Key points	554
Key terms	554
Review and discussion questions	555
■ Real Cases	
<i>Renault, Nissan and Mitsubishi Alliance: no pain, no gain</i>	555
<i>Sony – diversifying into the automobile industry?</i>	558
Notes	559
Bibliography	560
www resources	561

Chapter 18 North America 562

Objectives of the chapter	562
■ Active Learning Case	
<i>FTA, NAFTA and CUSMA</i>	563
Introduction	566
Canada	566
Canada's economy	567
Differences in the business environment	568
■ International Business Strategy in Action	
<i>Air Canada's bid for consolidation</i>	568
Canada's multinationals	573
