BRIEF CONTENTS

PART I ANALYSIS 1

- 1 An introduction to international marketing 2
- 2 The world trading environment 38
- 3 Social and cultural considerations in international marketing 71
- 4 International marketing research and opportunity analysis 102

Part 1 Directed Study Activity:

International marketing planning: analysis 141

PART II STRATEGY DEVELOPMENT 147

- 5 International niche marketing strategies for small- and medium-sized enterprises 148
- 6 Global strategies 190
- 7 Market entry strategies 228
- 8 International product and service management 259

Part 2 Directed Study Activity:

International marketing planning: strategy development 297

PART III IMPLEMENTATION 301

- 9 International communications 302
- 10 The management of international distribution and logistics 339
- 11 Pricing for international markets 377
- 12 Strategic planning in technology-driven international markets 416

Part 3 Directed Study Activity:

International marketing planning: implementation, control and evaluation 449

PART I

ANALYSIS 1

1 AN INTRODUCTION TO INTERNATIONAL MARKETING 2

The strategic importance of international marketing	3
What is international marketing?	5
International marketing defined	5
The international marketing environment	7
Social/cultural factors	8
Cultural factors	8
Social factors	10
Legal factors	12
Economic factors	15
The developed economies	16
The emerging economies	16
Least developed countries	16
Currency risks	17
Political factors	18
Technological factors	20
The Internet	20
The dual technological/cultural paradox	21
Sustainability factors	22
Differences between international and domestic marketing	23
The international competitive landscape	23
The international market planning process	25
The planning process	25
Major evolutionary stages of planning	26
The international marketing planning process	27
Situation analysis	29
Resources and capabilities	29
Knowledge management	29

Corporate objectives	30
Marketing strategies	30
Implementation of the marketing plan	31
The control process	31
Reasons for success	31
Characteristics of best practice in international marketing	32

Case study 1 Fast food: the healthy option goes global 34

Case study 2 Going international? You need a language strategy 35

2 THE WORLD TRADING ENVIRONMENT 38

External factors impacting governments and business	39
Environmental risks	40
Technology risks	40
World trading patterns	41
Future prospects	44
The reasons countries trade	47
The theory of comparative advantage	47
How comparative advantage is achieved	47
The international product life cycle	49
Barriers to world trade	49
Marketing barriers	49
Non-tariff barriers	51
International Bank for Reconstruction and Development (IBRD)	53
International Monetary Fund (IMF)	55
The World Trade Organization	56
The development of world trading groups	57
Forms of market agreement	57
Free trade area	57
Customs union	59
Common market	59
Economic union	59
Political union	59

The Single European Market	60
European Monetary Union	61
Strategic implications	62
Widening European membership	62
The North American Free Trade Area	63
The Asian Pacific Trading Region	64
Asia Pacific Economic Cooperation	64
ASEAN-China Free Trade Area (ACFTA)	66
Case study 1 Export tourism increases host country's GDP	68
Case study 2 The mobile/cell phone services market in Africa	69

3 SOCIAL AND CULTURAL CONSIDERATIONS IN INTERNATIONAL MARKETING 71

- Social and cultural factors 72
- What is culture? 72
 - Layers of culture 73
 - The components of culture 73
 - Language and culture 77
- Culture and consumer behaviour 80
 - Does Maslow's hierarchy of needs remain consistent across all cultures? 80
 - Is the buying process in all countries an individualistic activity? 81
 - Are social institutions and local conventions the same across all cultures? 81
 - Who, within the family, does the consumer buying process include? And is this consistent across cultures? 81
- Analyzing cultures and the implications for consumer behaviour 83
 - Self-reference criterion 84
- Cross-cultural analysis 85
 - The high/low context approach 85
 - Hofstede's cultural dimensions 86
 - Culture/communication typologies 89
 - Globe programme 90
- Social and cultural influences in B2B marketing 91
 - Organizational buyers 91
 - Government buyer behaviour 92
 - The B2B buying process 92
 - The role of culture in negotiation styles 92
 - Ethical issues in cross-cultural marketing 94
 - Bribery and corruption 96
 - Piracy 97
- Case study 1** Building an international ethical brand: coffee 99
- Case study 2** Cultural challenges of the Brazilian market 100

4 INTERNATIONAL MARKETING RESEARCH AND OPPORTUNITY ANALYSIS 102

- The role of marketing research and opportunity analysis 103

- The role of international marketing research 103
- What big data is telling us 104
- Opportunity identification and analysis 106
 - Scanning international markets 106
 - Demand pattern analysis 109
 - Multiple factor indices 109
 - Analogy estimation 110
 - Macro-survey technique 110
 - Risk evaluation 110
 - World Economic Forum 111
 - The Knaepen Package 111
 - Business Environment Risk Index (BERI) 112
- International marketing segmentation 112
 - Geographical criteria 112
 - The business portfolio matrix 112
 - Infrastructure/marketing institution matrix 114
 - Transnational segmentation 115
 - Mosaic Global 115
 - Hierarchical country: consumer segmentation 117
- The market profile analysis 118
 - Analyzing foreign country markets 118
 - Sources of information 118
 - Online databases 120
 - Problems in using secondary data 122
- Primary research in international markets 123
- Problem discovery and definition report 124
 - Developing an innovative approach 125
 - Networking 125
 - Consortia 126
 - The collection of primary data 126
 - Organizing the research study 126
 - Centralization vs decentralization 127
 - In-house or agency 128
 - Research design 129
 - Qualitative research 129
 - Survey methods 130
 - Questionnaire design 130
 - Sample frame 133
 - Fieldwork 133
 - Report preparation and presentation 134
- Case study 1** Global brands use of big data 136
- Case study 2** Cultural segmentation map 137
- Directed Study Activities** 140
- Directed Study Activity** International marketing planning: analysis 141

PART II

STRATEGY DEVELOPMENT 147

5 INTERNATIONAL NICHE
MARKETING STRATEGIES FOR
SMALL- AND MEDIUM-SIZED
ENTERPRISES 148

- The SME sector and its role within the global economy 149
 - The role of SME internationalization in economic regeneration 151
 - The challenges for SMEs from LDCs 151
 - Government support 153
- The nature of SME international marketing strategies 155
 - Exporting 155
 - Motivation 155
 - Barriers to internationalization 156
 - Niche marketing of domestically delivered services 159
 - Importing and reciprocal trading 160
 - Direct marketing and electronic commerce 160
- The nature of international development 163
 - Geographic development of SMEs 164
 - Market concentration and expansion 165
 - Where the domestic market is redefined 165
 - Where the SME international development is the result of networking 165
- Entrepreneur and family networks 165
 - Where the SME is born global 167
 - Supply chain internationalization 168
 - Developing relationships 170
- International strategic marketing management in SMEs 170
 - The McKinsey 7S framework 170
 - The generic marketing strategies for SME internationalization 171
 - The factors which affect the choice of an SME's international marketing strategy 173
 - Market factors 173
 - Company factors 174
 - Country selection 174
 - Organization structure 176
- International entrepreneurship and fast growth 181
 - The secret of high growth 181

The future of SME internationalization 184

Case study 1 Telensa: a shining light in smart cities 186

Case study 2 Pin it, share it, desire it, sell it 187

6 GLOBAL STRATEGIES 190

- The alternative views of globalization 191
 - Globalization and standardization 194
 - The drivers of globalization 195
- Alternative strategic responses 200
 - The international competitive posture 201
 - Global strategy drivers 202
 - Standardization and adaptation 204
 - Globally standardized strategy 205
 - Regional strategy 208
- International marketing management for global firms 210
 - Global strategy implementation 211
 - Opportunities in emerging markets for global firms 211
 - The emergence of MNEs from emerging markets 212
 - Global appeal and the changing basis of competitive advantage 213
 - Increasing global appeal by building the global brand 214
 - Global brand management 214
 - Creating a global presence by achieving global reach 215
 - Managing diverse and complex activities across a range of similar but often disparate markets and cultures 217
 - Organization structure for transnational firms 218
 - Systems, processes and control 218
 - Control 218
 - Return on marketing investment 219
 - Planning systems and processes 219
 - Building skills in transnational organizations 220
 - Staff and the problems of international management 221
 - What makes a good international manager? 221
 - Management culture 222
 - Management style and shared values 223
- Case study 1** Huawei: overcoming market obstacles 224
- Case study 2** Reshoring: rethinking global reach 225

7 MARKET ENTRY STRATEGIES 228

- The alternative market entry methods 229
 - Risk and control in market entry 232
- Indirect exporting 233
 - Domestic purchasing 233
 - Export management companies or export houses 233
 - Piggybacking 234
 - Trading companies 234
- Direct exporting 235
 - Factors for success in exporting 236
 - Selection of exporting method 237
 - Agents 238
 - Achieving a satisfactory manufacturer–agent relationship 238
 - Distributors 238
 - Other direct exporting methods 239
- Management contracts 239
- Franchising 239
- Direct marketing and online purchasing 240
- Foreign manufacturing strategies without direct investment 241
 - Reasons for setting up overseas manufacture and service operations 241
 - Contract manufacture 242
- Licensing 242
- Foreign manufacturing strategies with direct investment 244
 - Assembly 244
 - Wholly owned subsidiary 246
 - Company acquisitions and mergers 247
- Cooperative strategies 248
 - Joint ventures 248
 - Strategic alliances 250
 - Minority stake share holdings 252
- Case study 1** Wagamama’s international expansion 254
- Case study 2** IKEA in China: market entry flat packed? 256

8 INTERNATIONAL PRODUCT AND SERVICE MANAGEMENT 259

- The nature of products and services 260
 - International product and service marketing 260
 - The international marketing of service 263
- The components of the international product offer 264
 - Products, services and value propositions 266
- Factors affecting international product and service management 267

- Reasons for adaptation of the product 269
- Product acceptability 270
- Shortening product life cycles 270
- Franchising, joint ventures and alliances 270
- Marketing management 271
- Environmental and social responsibility issues 271
- Product policy 273
 - Product strategies 273
- Managing products across borders 275
 - The product life cycle 275
 - Product portfolio analysis 276
 - Introduction and elimination activities 277
- Image, branding and positioning 278
 - Country of origin effects 278
 - International branding 279
 - Brand categories 280
 - Brand value 281
 - Branding strategies 283
 - Brand piracy 283
 - Positioning 285
- Innovation and new product development 285
 - The most innovative companies 286
 - The nature of new product development 286
 - The new product development process 288
 - Approaches to technology transfer and the benefits for marketing 289
 - R&D strategies 289
 - Success and failure in new product development 290
- Case study 1** Autonomous cars: looking for a driver! 293
- Case study 2** Accor inseparable services: online and face-to-face 294
- Directed Study Activity** International marketing planning: strategy development 297

PART III

IMPLEMENTATION 301

9 INTERNATIONAL COMMUNICATIONS 302

- The role of marketing communications 303
 - Internal marketing 303
 - Interactive marketing 304
 - External marketing 304

Communicating product and service differentiation	305	Indirect and direct channels	342
Communicating the corporate identity to international stakeholders	305	Channel selection	344
The fundamental challenges for international marketing communications	306	Customer characteristics and culture	345
International marketing communications, standardization and adaptation	309	Company objectives and competitive activity	347
Towards standardization	310	Character of the market	347
Towards adaptation	310	Capital required and costings	347
International marketing communications strategy	312	The coverage needed	349
Communicating with existing and potential customers	314	Control, continuity and communication	349
The integration of communications	315	The selection and contracting process	349
Coordination and planning of the international marketing communications strategy	317	Building relationships in foreign market channels	350
The marketing communications tools	317	Motivating international marketing intermediaries	350
Word-of-mouth and personal selling	318	Controlling intermediaries in international markets	351
Exhibitions, trade fairs and experiential marketing	320	Channel updating	352
Trade missions	321	Developing a company-owned international sales force	352
Advertising	321	Trends in retailing in international markets	353
Television advertising	322	The differing patterns of retailing around the world	353
Press advertising	323	Traditional retailing	355
The use of agencies and consultancies	323	Intermediary retailing	356
Sales promotions	325	Structured retailing	358
Direct marketing	325	Advanced retailing	358
Communicating with the wider range of stakeholders	325	The globalization of retailing	358
Corporate identity	325	Marketing implications for development of international distribution strategies	360
Sponsorship and celebrity endorsement	326	Internet retailing	360
Product placement and celebrity endorsement	327	The management of the physical distribution of goods	362
Public relations	327	The logistics approach to physical distribution	362
Crisis management	329	Customer service	363
Online communications	329	The restructuring of physical distribution operations	364
The nature of online communications	329	The use of intermediaries	364
Developing profitable, long-term marketing relationships	332	Transportation	367
The concept of relationship marketing	332	Export processing zones	369
Database development	333	Administrative problems resulting from the cross-border transfer of goods	369
Customer relationship management	333	Documentation	370
Case study 1 UNiDAYS: a good deal for students worldwide	335	Packaging	371
Case study 2 Greenpeace: global campaigner	336	The export sales contract	371
10 THE MANAGEMENT OF INTERNATIONAL DISTRIBUTION AND LOGISTICS	339	Case study 1 Bulk wine shifts the global wine market	373
The challenges in managing an international distribution strategy	340	Case study 2 Poor packaging = lost profits	374
Selecting foreign country market intermediaries	341		

11 PRICING FOR INTERNATIONAL MARKETS 377

- Domestic vs international pricing 378
- The factors affecting international pricing decisions 378
 - Company and product factors 379
 - Product and service factors 380
 - The influence of cost structures on pricing 381
 - Specific export costs 384
 - Cost reduction 388
 - Economies of scale 388
 - Learning curve 388
 - Location of production facility 389
 - Market factors 389
- Developing pricing strategies 390
 - The objectives of pricing 391
 - Setting a price 392
- Problems of pricing and financing international transactions 393
- Problems in multinational pricing 393
 - Coordination of prices across markets 393
 - What is grey marketing? 395
 - Price coordination strategies 397
 - Transfer pricing in international markets 399
 - To create barriers to entry 399
 - To avoid domestic tax liabilities 399
 - To avoid foreign tax 400
 - To manage the level of involvement in markets 400
- Problems in managing foreign currency transactions 400
 - What currency should the price be quoted in? 400
 - Should prices be raised/lowered as exchange rates fluctuate? 401
- Problems in minimizing the risk of non-payment in high-risk countries 402
 - Countertrade and leasing 403
 - Advantages and limitations of countertrade 406
 - Leasing 406
- Deciding at what stage of the export sales process the price should be quoted 407
 - The export order process 408
- Case study 1** The impact of cryptocurrencies 412
- Case study 2** Torque Developments International plc 413

12 STRATEGIC PLANNING IN TECHNOLOGY-DRIVEN INTERNATIONAL MARKETS 416

- The challenge 417
- The enabling technologies 418
 - Technological innovation 418
 - Disruptive technologies 419
 - Convergent technology 421
- The Internet and international business communications 421
 - Online strategies 424
 - The purpose of websites 424
 - Organization sites 425
 - Service online 425
 - Information online 425
 - Business transactions online 425
 - Social networking 426
- International e-markets and e-marketing 426
 - Business-to-business (B2B) 426
 - Disintermediation and re-intermediation 428
 - Business-to-consumer (B2C) 428
 - Consumer-to-consumer (C2C) 429
- International marketing solution integration 429
 - Knowledge management 429
 - Supply chain management 430
 - Value chain integration 430
 - Virtual enterprise networks 431
 - Customer relationship management 431
 - Customization 431
- Strategic planning 432
 - Technology-driven analysis 433
 - Internal data 434
 - The impact of technology on international strategy development 434
 - Internet-based market entry 434
 - The impact of technology on strategy implementation and control 434
 - Some limitations of e-commerce for international marketing strategy 437
 - Legislation 438
 - Problems of application of existing law to the Internet 438
 - Other Internet problems 439
- Moving to a customer-led strategy 439
 - Sustainability and corporate social responsibility 440
- The elements of the strategic plan 441

Case study 1 Heart problems? Wearable tech could save your life 444	Glossary 455
Case study 2 Yum! Brands: eating into new markets 445	Credits 461
Directed Study Activity International marketing planning: Implementation, control and evaluation 449	Index 463
