 - Data for pricing strategy 167
 - Factors influencing price 168
 - Price strategies 168
 - Pricing models 170
 - Digital marketing metrics 176
 - Segmenting customers by price sensitivity 178

- Using data analysis to set prices 181
- Loss leader metrics 181
- Exploring price elasticity of demand 182
- Price sensitivity in B2B marketing: how price sensitivity impacts decision making 184
- Pricing conclusion 185
- Place metrics 185
- Point-of-sale data 186
- Loyalty card data 187
- Using metrics to assess place options 189
- Comparing locations 191
- Conclusion 193

- 10 Marketing performance metrics 194**
 - A/B testing 196
 - Multivariate testing 199
 - Channel metrics in agile marketing 204
 - Conclusion 210

- 11 Data governance and the new privacy laws 215**
 - The current privacy regulation landscape 216
 - Other data privacy laws 219
 - Platform-based requirements and restrictions 222
 - Data governance and ethics frameworks 225
 - Managing privacy 230
 - Blockchain and the future of trustworthy marketing metrics 238
 - Conclusion 243

- 12 Building dashboards and data evangelism 250**
 - The importance of data evangelism 250
 - Democratizing data 251
 - Self-service metrics and data discovery: everyone an analyst? 252
 - Dashboarding 254
 - Training for metrics success 263
 - Conclusion 265

- 13 What are the skills of a metrics-driven marketer?** 270
- Critical skill types 271
 - The big picture: empathy, future thinking, organization, and systems thinking 273
 - Hard skills: technologies and tools 277
 - Tactical and strategic hard skills 280
 - Future-proofing your career with strategic skills 281
 - The marketers of the future are metrics-driven—and now, you are one, too 284
 - Endnotes 285
- 14 Marketing metrics resources** 286
- Major publications 286
 - Web analytics 287
 - Market research 287
 - A/B testing, multivariate testing, and heatmapping 289
 - Social media 289
 - Direct marketing, email, text, and chatbot metrics 290
 - SEO and PPC 292
 - General marketing publications with metrics coverage 293
 - Personal blogs 294
 - Career development and professional associations 296
 - Data science 301
 - Hackathons and competitions 301
- Dictionary of marketing metrics and related terms* 303
- Index* 311
