Social Media and Effective Crisis Communication		50
The Power of Positive Action		51
Summary		52
Chapter 4	Applying the Lessons To Produce Effective Crisis Communication	55
Example 4.1. The Largest Environmental Crisis in United States History: BP and the United States Coast Guard Respond		55
Summary		58
You Make the Call		58
Example 4.2. A Plant Fire at Malden Mills		59
Crisis Preparation and Planning		60
Courageous Communication in the Wake of a Disaster		61
Summary		61
You Make the Call		62
Example 4.3. The WUCF and PBS Meet the Helpers Initiative: An Innovative Response to a Shocking Crisis		63
Creating an Original Crisis Response for Children		63
Expanding Applications		64
Summary		65
You Make the Call		65

Example 4.4. What's in a Name? Beef Products Incorporated Face "Pink Slime"	67
A Third Party Crisis Response	67
Summary	68
You Make the Call	68
Example 4.5. Rural Renewal After a Tornado in Greensburg, Kansas	70
Initial Framing of the Crisis	70
Consequences of a Bold Environmental Vision Following the Tornado	72
Community Response	72
Summary	73
You Make the Call	73
Example 4.6. A Costly YouTube Hoax for Domino's Pizza	75
Unusual Challenges for Domino's	75
Domino's Crisis Response	76
Summary	77
You Make the Call	78
Chapter 5 Lessons on Managing Crisis Uncertainty Effectively	81
Consider the Impact of Uncertainty on Crisis Communication	82
Unexpected Crises and Uncertainty	83
Nonroutine Crisis Events and Uncertainty	83
Threat Perception and Uncertainty	84
Short Response Time and Uncertainty	84
The Impact of Crisis-Induced Uncertainty on Stakeholders	86
Managing Communication Ambiguity Ethically During Crisis	88
Consistent Questions of Ambiguity	89
Training, Simulations, and Uncertainty	91
Belief Structures and Uncertainty	92
Summary	93
Chapter 6 Applying the Lessons for Managing Crisis Uncertainty Effectively	95
Example 6.1. Tennessee Valley Authority and the Kingston Ash Slide	95
Missed Opportunities in Crisis Preparation and Planning	95
Tennessee Valley Authority's Response to an Uncertain Crisis	96
Summary	99
You Make the Call	99
Example 6.2. L'Aquila: A Case of Miscommunication	101
Communicating to the Public About L'Aquila's Immediate Risk	101
The Investigation	101
The Outcome	103
Summary	103
You Make the Call	103

X Detailed Contents

Example 6.3. General Motors and Mary Barra	105
Honesty, Candor, and Openness	106
Communicate With Compassion, Concern, and Empathy	106
Process Approaches and Policy Development	107
Summary	107
You Make the Call	107
Example 6.4. King Car's Response to the 2008 Melamine Crisis	109
Reducing Crisis Uncertainty	109
A Guiding Vision for King Car's Crisis Communication	110
Initial Crisis Communication	110
The Recall	111
Critical Acclaim	111
Summary	112
You Make the Call	112
Example 6.5. Flint, Michigan, Water Contamination	113
Failure to Listen to Public Concerns	115
Multiple Agencies	115
Failure to Accept Uncertainty and Ambiguity	116
Summary	116
You Make the Call	116
Example 6.6. FUKUSHIMA Daiichi: Uncertainty Created by Three Interrelated Crisis Events	118
Summary	120
You Make the Call	120
Chapter 7 Lessons on Effective Crisis Leadership	123
The Importance of Effective Leadership	124
Why Visibility Following a Crisis is Important	125
Developing Networks of Support	127
Being Available, Open, and Honest	129
The Impact of Leadership on Renewal Following a Crisis	129
Ineffective Leadership During a Crisis	130
What Makes an Effective Crisis Leader?	132
Leadership Styles	132
Contingency Approach to Leadership	133
Transformational Leadership	134
Leadership Virtues	134
Managing Uncertainty, Responding, Resolving, and Learning from Crisis	135
Suggestions for the Leader as Spokesperson	136
Summary	138

Chapter 8 Applying the Lessons for Developing Effective Crisis Leadership	139
Example 8.1. October 1, Route 91, Las Vegas, Nevada	139
Summary	142
You Make the Call	143
Example 8.2. A Fire at Cole Hardwood	144
Crisis Planning and Preparation	144
Leading Instinctively After a Disaster	145
Summary	146
You Make the Call	146
Example 8.3. The Largest Foodborne Illness Outbreak in History: Schwan's Sales Enterprises	147
A Guiding Philosophy	148
Schwan's Crisis Response	149
Learning From the Crisis	150
Summary	150
You Make the Call	150
Example 8.4. Freedom Industries and the West Virginia Drinking Water Contamination	151
A Delayed Response	152
Volunteer Voices	153
Summary	154
You Make the Call	155
Example 8.5. United Airlines: Failed Crisis Leadership	156
Summary	160
You Make the Call	160
Example 8.6. SeaWorld's Orca: A Symbol of Tragedy	161
Inevitable Questions	161
Blackfish: A Condemning Documentary	162
SeaWorld's Response	163
Summary	163
You Make the Call	164
PART III THE OPPORTUNITIES	167
Chapter 9 Learning Through Failure	169
Failing to Learn From Failure	170
Learning Through Failure	172
Vicarious Learning	174
Organizational Memory	175
Unlearning	177
Summary	178

Chapter 10 Risk Communication	181
Distinguishing Between Risk And Crisis	182
Mindfulness	184
Analyzing Multiple Audiences	187
Convergence Theory and Risk Communication	190
Responsible Risk Communication	192
Significant Choice	192
Fantasy Messages	194
Summary	194
Chapter 11 Responding to the Ethical Demands of Crisis	197
Ethics	199
Corporations as Moral Agents	201
Values	202
Values and Crisis	203
Responsibility and Accountability	203
Access too Information	205
Humanism and Care	206
The Role of Values in a Crisis Response	208
Summary	210
Chapter 12 Facilitating Renewal Through Effective Crisis Communication	211
Crisis Opportunities	212
Theoretical Components of the Discourse of Renewal	212
Organizational Learning	213
Ethical Communication	214
<i>Positive Stakeholder Relationships</i>	215
<i>Provisional Rather Than Strategic Communication</i>	216
<i>Significant Choice</i>	217
Prospective Versus Retrospective Vision	217
Optimism	218
Engaging in Effective Organizational Rhetoric	218
Summary of the Discourse of Renewal	220
The Discourse of Renewal and Crisis Planning	220
Summary	222
References	223
Index	239
About the Authors	247
