Acknowledgments

We would like to thank the following people for their advice or mentorship throughout the various stages of the production of this collection: Michael Aronson, Lucy Fischer, Kathleen Karlyn, and Daisuke Miyao. Additionally, thanks to Robyn Curtis and Desiree Browne at Palgrave Macmillan for helping us see this project through, as well as to our reviewers at Palgrave Macmillan for their helpful suggestions as the collection took shape. Scheduling a panel of international experts in the field for an online discussion proved challenging, so we would like to thank everyone who offered us their time and consideration as we worked to bring the panel together: Mary Beltran, Corey Creekmur, Sangita Gopal, Jennifer Bean, Paul McDonald, Toby Miller, Christine Gledhill, Wimal Dissanayake, Ginette Vincendeau, Erica Carter, and Dina Iordanova.

We would also like to thank our families, who had to support not only us while working on the project, but also our unconventional schedule and communication as the collection was organized online between our locations in Idaho and Kazakhstan. Special thanks to Ryanne and Ginger, and also to the little ones: Zeal, Alden, Anjali, and Will.
