ABOUT THE AUTHORS

AA

An author team for over 50 years.

Earl K. Stice

Earl K. Stice is the PricewaterhouseCoopers Professor of Accounting in the School of Accountancy and Information Systems at Brigham Young University where he has been on the faculty since 1998. He holds bachelor's and master's degrees from Brigham Young University and a Ph.D. from Cornell University. Dr. Stice has taught at Rice University, the University of Arizona, Cornell University, and the Hong Kong University of Science and Technology (HKUST). He won the Phi Beta Kappa teaching award at Rice University and was twice selected at HKUST as one of the ten best lecturers on campus. Dr. Stice has also taught in a variety of executive education and corporate training programs in the United States, Hong Kong, China, and South Africa, and he is currently on the executive MBA faculty of the China Europe International Business School in Shanghai. He has

published papers in the *Journal of Financial and Quantitative Analysis*, *The Accounting Review*, *Review of Accounting Studies*, and *Issues in Accounting Education*, and his research on stock splits has been cited in *Business Week*, *Money*, and *Forbes*. Dr. Stice has presented his research results at seminars in the United States, Finland, Taiwan, Australia, and Hong Kong. He is co-author of *Accounting: Concepts and Applications*, 9th edition, and *Financial Accounting: Reporting and Analysis*, 7th edition. Dr. Stice and his wife, Ramona, are the parents of seven children: Derrald, Han, Ryan Marie, Lorien, Lily, Taraz, and Kamila. They also have four grandchildren.

James D. Stice

James D. Stice is the W. Steve Albrecht Professor of Accounting in the Marriott School of Management at Brigham Young University. He also serves as an Associate Dean in the Marriott School. He holds bachelor's and master's degrees from BYU and a Ph.D. from the University of Washington, all in accounting. Professor Stice has been on the faculty at BYU since 1988. During that time, he has been selected by graduating accounting students as "Teacher of the Year" on numerous occasions. He was selected by his peers in the Marriott School at BYU to receive the "Outstanding Teaching Award" in 1995, and in 1999 he was selected by the University to receive its highest teaching award, the Maeser Excellence in Teaching Award. Professor Stice is also a visiting professor for INSEAD's MBA Program in France. Professor Stice has published articles in *The Journal of Accounting Research*, *The Accounting Review*, *Decision Sciences*, *Issues in Accounting Education*, *The CPA Journal*, and other academic and professional journals. In addition to this text, he has published two other textbooks: *Financial Accounting: Reporting and Analysis*, 7th edition, and *Accounting: Concepts and Applications*, 9th edition. In addition to his teaching and research, Dr. Stice has been involved in executive education for such companies as IBM, Bank of America, and Ernst & Young and currently serves on the board of directors of Nutraceutical Corporation. Dr. Stice and his wife, Kaye, are the parents of seven children: Crystal, JD, Ashley, Whitney, Kara, Skyler, and Cierra. They also have ten grandchildren.

BRIEF CONTENTS

BC

P1

PART ONE: FOUNDATIONS OF FINANCIAL ACCOUNTING

1	Financial Reporting	1-1
2	A Review of the Accounting Cycle	2-1
3	The Balance Sheet and Notes to the Financial Statements	3-1
4	The Income Statement	4-1
5	Statement of Cash Flows and Articulation	5-1
6	Earnings Management	6-1
	Module: Time Value of Money Review	TVM-1
	Module: Fair Value	FV-1

P2

PART TWO: ROUTINE ACTIVITIES OF A BUSINESS

7	The Revenue/Receivables/Cash Cycle	7-1
8	Revenue Recognition	8-1
9	Inventory and Cost of Goods Sold	9-1
10	Investments in Noncurrent Operating Assets—Acquisition	10-1
11	Investments in Noncurrent Operating Assets—Utilization and Retirement.	11-1

P3

PART THREE: ADDITIONAL ACTIVITIES OF A BUSINESS

12	Debt Financing	12-1
13	Equity Financing	13-1
14	Investments in Debt and Equity Securities	14-1
15	Leases	15-1
16	Income Taxes	16-1
17	Employee Compensation—Payroll, Pensions, and Other Compensation Issues	17-1

P4

PART FOUR: OTHER DIMENSIONS OF FINANCIAL REPORTING

18	Earnings Per Share	18-1
19	Derivatives, Contingencies, Business Segments, and Interim Reports	19-1
20	Accounting Changes and Error Corrections	20-1
21	Statement of Cash Flows Revisited.	21-1
22	Accounting in a Global Market	22-1
23	Analysis of Financial Statements	23-1
	Appendix: Index of References to APB and FASB Pronouncements	A-1
	Check Figures	CF-1
	Glossary	G-1
	Subject Index	I-1
	Company Index	I-23
