	The Limitations and Barriers of EC .....	34
	Why Study E-Commerce?.....	35
	The Future of EC.....	36
1.9	Overview of This Book.....	37
	Part I: Introduction to E-Commerce and E-Marketplaces.....	37
	Part II: EC Applications .....	38
	Part III: Emerging EC Delivery Platforms .....	38
	Part IV: EC Support Services .....	38
	Part V: EC Strategy and Implementation .....	38
	Part VI: Launching Online Businesses and EC Projects.....	38
	Online Mini Tutorials.....	38
	Online Supplements .....	38
	Managerial Issues.....	38
	Closing Case: E-Commerce at the National Football League (NFL).....	43
	Glossary .....	45
	References.....	46
<b>2</b>	<b>E-Commerce: Mechanisms, Platforms, and Tools.....</b>	<b>51</b>
	Opening Case: Pinterest: A New Kid on the E-Commerce Block.....	51
	The Opportunity.....	52
	The Solution.....	52
	Results and Managerial Issues .....	53
	Conclusion .....	54
2.1	Electronic Commerce Mechanisms: An Overview.....	54
	EC Activities and Support Mechanisms .....	54
	The Online Purchasing Process .....	55
2.2	E-Marketplaces .....	55
	Electronic Markets .....	57
	Components of and the Participants in E-Marketplaces .....	58
	Disintermediation and Reintermediation .....	59

Case 2.1: EC Application: How Blue Nile Inc. Is Changing the Jewelry Industry.....	59
Types of E-Marketplaces .....	60
2.3 Customer Shopping Mechanisms: Webstores, Malls, and Portals .....	61
Webstores.....	61
Electronic Malls.....	61
Web (Information) Portals .....	62
The Roles and Value of Intermediaries in E-Marketplaces .....	63
2.4 Merchant Solutions: Electronic Catalogs, Search Engines, and Shopping Carts .....	64
Electronic Catalogs.....	64
EC Search Activities, Types, and Engines .....	65
Shopping Carts.....	66
2.5 Auctions, Bartering, and Negotiating Online .....	67
Definition and Characteristics.....	67
Dynamic Pricing .....	67
Traditional Auctions Versus E-Auctions.....	68
Types of Auctions .....	68
Benefits and Limitations of E-auctions.....	70
Impacts of Auctions .....	72
Online Bartering.....	72
Online Negotiating.....	72
2.6 Virtual Communities and Social Networks.....	73
Characteristics of Traditional Online Communities and Their Classification .....	73
Online Social Networks and Social Network Sites.....	74
Social Network Services .....	74
Business-Oriented Public Social Networks .....	75
Case 2.2: EC Application: Craigslist: The Ultimate Online Classified Community.....	76
Private (or Enterprise) Social Networks .....	77
Business Models and Services Related to Social Networking.....	77
Mobile Social Commerce .....	78
Mobile Social Networking .....	78
Recent Innovative Tools and Platforms for Social Networking.....	79
2.7 Virtual Worlds as an Electronic Commerce Platforms .....	80
Major Features .....	80
Avatars.....	80
Business Activities and Value in Virtual Worlds.....	81
2.8 Emerging EC Platforms: Augmented Reality and Crowdsourcing .....	83
Augmented Reality .....	83
Crowdsourcing .....	83
2.9 The Future: Web 3.0, Web 4.0 and Web 5.0 .....	86
Web 3.0: What Does the Future Hold? .....	86
The Technological Environment.....	87

Managerial Issues.....	88
Closing Case: Madagascar's Port Modernizes	
Customs with TradeNet .....	93
Glossary .....	95
References.....	96

## Part II E-Commerce Applications

<b>3 Retailing in Electronic Commerce: Products and Services.....</b>	<b>103</b>
Opening Case: Amazon.com: The King of E-Tailing .....	104
3.1 Internet Marketing and B2C Electronic Retailing .....	106
Overview of Electronic Retailing .....	107
Size and Growth of the B2C Market.....	107
What Sells Well on the Internet .....	108
Characteristics and Advantages of Successful E-Tailing.....	108

Classification of Models by Distribution Channel.....	110
Other B2C Models and Special Retailing.....	113
B2C Social Shopping .....	113
Virtual Visual Shopping .....	114
3.3 Online Travel and Tourism (Hospitality) Services .....	114
Characteristics of Online Travel.....	114
Special Online Travel Services .....	115
Case 3.1: EC Application: WAYN: A Lifestyle and Travel Social Network.....	116
Benefits, Limitations, and Competition in Online Travel Services.....	117
Competition in Online Travel .....	117
Corporate Travel .....	117
3.4 Employment and the Online Job Market .....	118
The Internet Job Market.....	118
Benefits and Limitations of the Electronic Job Market.....	120
3.5 Online Real Estate, Insurance, and Stock Trading .....	121
Real Estate Online.....	121
Insurance Online .....	122
Online Stock Trading and Investments .....	123
3.6 Online Banking and Personal Finance .....	124
E-Banking .....	125
Online Banking Capabilities .....	125
Pure Virtual Banks .....	125
International and Multiple-Currency Banking .....	126
Online Financial Transaction Implementation Issues .....	126
Case 3.2: EC Application: Security for Online Bank Transactions.....	126
Online Billing and Bill Paying.....	128
3.7 On-Demand Delivery of Products, Digital Items, Entertainment, and Gaming .....	129
On-Demand Delivery of Products.....	129

	Online Delivery of Digital Products, Entertainment, and Media .....	130
	Social Television (TV) .....	131
3.8	Other B2C Services: From Dating Services to Wedding Planning .....	133
	Online Dating Services .....	133
	Planning a Wedding .....	134
	Buying Cars Online.....	134
	Selling-Build-to-Order Cars Online.....	134
	Other Online Services .....	135
3.9	Online Purchasing-Decision Aids.....	136
	Shopping Portals .....	136
	Helping Communities .....	136
	Price and Quality Comparison by Shopbot Software Agents.....	136
	Ratings, Reviews, and Recommendation Sites .....	137
	Comparison Shopping Websites.....	138
	Trust Verification Sites .....	138
	Other Shopping Assisting Tools.....	139
	Virtual Visual Shopping .....	140
	Mobile Apps.....	141
3.10	The New Face of Retail Competition: Retailers Versus E-Tailers.....	141
	The Online Versus Offline Competition: An Overview .....	141
	Retailers Versus E-Tailers .....	142
	What Can Traditional Retailers Do? .....	144
3.11	Issues in E-Tailing and Lessons Learned .....	145
	Disintermediation and Reintermediation .....	145
	Channel Conflict.....	146
	Possibility of a Price Conflict and Determining the Right Price by Sellers.....	146
	Product and Service Customization and Personalization .....	147
	Fraud and Other Illegal Activities.....	147
	Lessons Learned from Failures and Lack of Success of E-Tailers .....	147
	Managerial Issues.....	148
	Closing Case: Etsy – A Social-Oriented B2C Marketplace.....	154
	Glossary .....	156
	References.....	156
<b>4</b>	<b>Business-to-Business E-Commerce.....</b>	<b>161</b>
	Opening Case: Alibaba.com: The World’s Largest B2B Marketplace .....	161
4.1	Concepts, Characteristics, and Models of B2B E-Commerce .....	164
	Basic B2B Concepts and Process .....	164

The Basic Types of B2B Transactions and Activities.....	165
The Basic Types of B2B E-Marketplaces and Services .....	165
Market Size and Content of B2B .....	166
B2B Components.....	167
Service Industries Online in B2B .....	168
Partner and Supplier Relationship Management.....	170
The Benefits and Limitations of B2B .....	170
4.2 One-to-Many: Sell-Side E-Marketplaces.....	171
Sell-Side Models .....	171
Sales from Catalogs: Webstore .....	171
Comprehensive Sell-Side Systems.....	173
Selling via Distributors and Other Intermediaries .....	173
4.3 Selling via E-Auctions .....	173
The Benefits of Auctions on the Sell Side .....	173
Auctioning from the Company’s Own Site.....	174
Using Intermediaries in Auctions .....	174
Case 4.1: EC Application: How the Commonwealth of Pennsylvania Sells Surplus Equipment .....	174
Examples of B2B Forward Auctions .....	175
