# Contents at a Glance

<b>Introduction</b> .....	1
<b>Book 1: Starting Windows 10</b> .....	7
CHAPTER 1: Windows 10 4 NOObS .....	9
CHAPTER 2: Windows 10 for the Experienced .....	47
CHAPTER 3: Which Version? .....	79
<b>Book 2: Personalizing Windows</b> .....	91
CHAPTER 1: Getting Around in Windows .....	93
CHAPTER 2: Changing the Lock and Login Screens .....	109
CHAPTER 3: Working with the Action/Notification Center .....	123
CHAPTER 4: Controlling Users .....	131
CHAPTER 5: Microsoft Account: To Sync or Not to Sync? .....	149
CHAPTER 6: Privacy Control .....	163
<b>Book 3: Working on the Desktop</b> .....	179
CHAPTER 1: Running Your Desktop from Start to Finish .....	181
CHAPTER 2: Personalizing the Start Menu .....	217
CHAPTER 3: Personalizing the Desktop and Taskbar .....	233
CHAPTER 4: Internet Explorer, Chrome, and Firefox .....	255
CHAPTER 5: Hey, Cortana! .....	303
CHAPTER 6: Maintaining Your System .....	315
<b>Book 4: Using the Built-in Universal Apps</b> .....	333
CHAPTER 1: Using the Mail and Calendar Apps .....	335
CHAPTER 2: Keeping Track of People .....	361
CHAPTER 3: Zooming the Photos App and Beyond .....	373
CHAPTER 4: Noting OneNote .....	387
CHAPTER 5: Maps, Music, Movies — and TV .....	399
<b>Book 5: Connecting with the Universal Apps</b> .....	417
CHAPTER 1: Introducing Edge .....	419
CHAPTER 2: Using Skype in Windows 10 .....	435
CHAPTER 3: Navigating the Microsoft Store .....	449
CHAPTER 4: Games, Games, and Games .....	461

<b>Book 6: Socializing with the Universal Apps</b> .....	477
CHAPTER 1: Using OneDrive.....	479
CHAPTER 2: Getting Started with Facebook.....	493
CHAPTER 3: Getting Started with Twitter .....	511
CHAPTER 4: Getting Started with LinkedIn.....	525
<b>Book 7: Controlling Your System</b> .....	533
CHAPTER 1: Settings, Settings, and More Settings .....	535
CHAPTER 2: Troubleshooting and Getting Help .....	549
CHAPTER 3: Working with Libraries.....	585
CHAPTER 4: Storing in Storage Spaces .....	599
CHAPTER 5: Taking Control of Updates and Upgrades .....	609
CHAPTER 6: Running the Built-In Applications .....	621
CHAPTER 7: Working with Printers .....	639
<b>Book 8: Maintaining Windows 10</b> .....	653
CHAPTER 1: File History, Backup, Data Restore, and Sync .....	655
CHAPTER 2: A Fresh Start: Restore and Reset.....	673
CHAPTER 3: Monitoring Windows .....	691
CHAPTER 4: Using System Tools .....	701
<b>Book 9: Securing Windows 10</b> .....	721
CHAPTER 1: Spies, Spams, and Scams Are Out to Get You .....	723
CHAPTER 2: Fighting Viri and Scum.....	761
CHAPTER 3: Running Built-In Security Programs .....	773
CHAPTER 4: Top Security Helpers .....	799
<b>Book 10: Enhancing Windows 10</b> .....	817
CHAPTER 1: Using Your iPad and iPhone with Windows.....	819
CHAPTER 2: Android, Chromecast, Roku, Kindle, and Windows 10.....	839
CHAPTER 3: Getting Started with Gmail, Google Apps, and Drive .....	859
CHAPTER 4: Using Web-Based Outlook.com (nee Hotmail) .....	879
CHAPTER 5: Best Free Windows Add-Ons .....	893
<b>Index</b> .....	909

# Table of Contents

<b>INTRODUCTION</b> .....	1
About This Book .....	3
Foolish Assumptions .....	4
Icons Used in This Book .....	5
Beyond the Book .....	5
Where to Go from Here .....	6
<b>BOOK 1: STARTING WINDOWS 10</b> .....	7
<b>CHAPTER 1: Windows 10 4 N00bs</b> .....	9
Hardware and Software .....	12
Why Do PCs Have to Run Windows? .....	12
A Terminology Survival Kit .....	17
What, Exactly, Is the Web? .....	21
Getting inside the Internet .....	22
What is the World Wide Web? .....	23
Who pays for all this stuff? .....	25
Buying a Windows 10 Computer .....	26
Inside the big box .....	29
Inside a touch-sensitive tablet .....	31
Screening .....	35
Managing disks and drives .....	35
Making PC connections .....	39
Futzing with video, sound, and multitudinous media .....	42
Netbooks and Ultrabooks .....	44
What's Wrong with Windows 10? .....	45
<b>CHAPTER 2: Windows 10 for the Experienced</b> .....	47
If You Just Upgraded from Win7 or 8.1 to Win10 .....	48
A Brief History of Windows 10 .....	50
Exploring the Versions of Windows 10 .....	53
The Different Kinds of Windows Programs, Er, Apps .....	54
What's New for the XP Crowd .....	58
Improved performance .....	58
Better video .....	60
A genuinely better browser is emerging .....	61
Cortana .....	61
Other improvements .....	62
What's New for Windows 7 and Vista Victims .....	63
Getting the hang of the new Start menu .....	64
Exploring new stuff in the old-fashioned desktop .....	66

What's New for Windows 8 and 8.1 Users . . . . .	68
What's New for All of Windows . . . . .	68
The Start menu . . . . .	68
Microsoft Edge . . . . .	70
Cortana . . . . .	72
Virtual desktops and task view . . . . .	73
Security improvements. . . . .	74
Other Universal Windows apps. . . . .	74
What you lose. . . . .	75
Do You Need Windows 10? . . . . .	77
<b>CHAPTER 3: Which Version?</b> . . . . .	79
Counting the Editions . . . . .	80
Buying the right version the first time . . . . .	83
Narrowing the choices . . . . .	83
Choosing 32 Bit versus 64 Bit . . . . .	85
Which Version of Windows Are You Running? . . . . .	87
<b>BOOK 2: PERSONALIZING WINDOWS</b> . . . . .	91
<b>CHAPTER 1: Getting Around in Windows</b> . . . . .	93
Windows' New Beginnings . . . . .	94
A tale of two homes . . . . .	95
Switching to tablet mode and back. . . . .	98
Navigating around the Desktop . . . . .	99
Keying Keyboard Shortcuts . . . . .	105
<b>CHAPTER 2: Changing the Lock and Login Screens</b> . . . . .	109
Working with the Lock Screen . . . . .	110
Using your own picture. . . . .	111
Adding and removing apps on the lock screen. . . . .	114
Logging On Uniquely. . . . .	116
Using a picture password. . . . .	116
Creating a PIN . . . . .	119
Windows Hello . . . . .	120
Bypassing passwords and login . . . . .	121
<b>CHAPTER 3: Working with the Action/Notification Center</b> . . . . .	123
What Is the Action Center?. . . . .	124
What, Exactly, Is a Notification?. . . . .	125
Working with Notifications. . . . .	127
Working with Settings Shortcuts. . . . .	129

<b>CHAPTER 4: Controlling Users</b> .....	131
Why You Need Separate User Accounts .....	132
Choosing Account Types .....	133
What's a standard account? .....	133
What's an administrator account? .....	135
Choosing between standard and administrator accounts .....	135
What's Good and Bad about Microsoft Accounts .....	137
Adding Users .....	139
Changing Accounts .....	142
Changing other users' settings .....	143
Changing your own settings .....	145
Switching Users .....	147
The Changing Environment .....	148
<b>CHAPTER 5: Microsoft Account: To Sync or Not to Sync?</b> .....	149
What, Exactly, Is a Microsoft Account? .....	150
Deciding Whether You Want a Microsoft Account .....	151
Setting Up a Microsoft Account .....	154
Setting up a Hotmail/Outlook.com account .....	155
Making any email address a Microsoft account .....	156
Stop Using Your Microsoft Account .....	158
Taking Care of Your Microsoft Account .....	159
Controlling Sync .....	160
<b>CHAPTER 6: Privacy Control</b> .....	163
Why You Should Be Concerned .....	164
Privacy Manifesto .....	166
The past: Watson to WER .....	166
Customer Experience Improvement Program .....	167
Feedback & Diagnostics tab and DiagTrack .....	168
Denial ain't nuthin' but a river .....	170
Knowing What Connections Windows Prefers .....	171
Controlling Location Tracking .....	172
Blocking all location tracking .....	175
Blocking location tracking in an app .....	176
Minimizing Privacy Intrusion .....	177
<b>BOOK 3: WORKING ON THE DESKTOP</b> .....	179
<b>CHAPTER 1: Running Your Desktop from Start to Finish</b> .....	181
Tripping through Win10's Three Personas .....	182
Working with the Traditional Desktop .....	184
Changing the background .....	184
Cleaning up useless icons and programs .....	186

Mousing with Your Mouse . . . . .	187
What's up, dock? . . . . .	189
Changing the mouse . . . . .	190
Starting with the Start Icon . . . . .	192
Touching on the Taskbar . . . . .	195
Working with Files and Folders . . . . .	197
Using File Explorer . . . . .	200
Navigating . . . . .	200
Viewing . . . . .	201
Creating files and folders . . . . .	203
Modifying files and folders . . . . .	203
Showing filename extensions . . . . .	204
Sharing folders . . . . .	207
Using the \Public folder . . . . .	208
Recycling . . . . .	209
Creating Shortcuts . . . . .	211
Keying Keyboard Shortcuts . . . . .	213
Sleep: Perchance to Dream . . . . .	214
<b>CHAPTER 2: Personalizing the Start Menu . . . . .</b>	<b>217</b>
Touring the Start Menu . . . . .	218
Modifying the Start Menu . . . . .	220
Changing your picture . . . . .	221
Manipulating the Most Used section . . . . .	222
Controlling the left-side lists . . . . .	222
Circumnavigating the Start apps list . . . . .	225
Resizing the Start Menu . . . . .	227
Changing Tiles on the Start Menu . . . . .	228
Organizing Your Start Menu Tiles . . . . .	230
Add, add, add your tiles . . . . .	230
Forming and naming your groups . . . . .	230
<b>CHAPTER 3: Personalizing the Desktop and Taskbar . . . . .</b>	<b>233</b>
Decking out the Desktop . . . . .	234
Resolving Desktop Resolution . . . . .	239
Setting the screen resolution . . . . .	239
Using magnification . . . . .	241
Putting Icons and Shortcuts on the Desktop . . . . .	243
Creating shortcuts . . . . .	244
Arranging icons on the desktop . . . . .	246
Tricking out the Taskbar . . . . .	248
Anatomy of the taskbar . . . . .	249
Jumping . . . . .	249
Changing the taskbar . . . . .	251
Working with the taskbar . . . . .	252

<b>CHAPTER 4: Internet Explorer, Chrome, and Firefox</b>	255
Which Browser Is Best?	257
Considering security	258
Looking at privacy	259
Picking a browser	260
Setting a browser as your default	262
Using Internet Explorer on the Desktop	264
Navigating in IE	264
Dealing with cookies	271
Changing the home page	273
Turning on key features	275
Searching with alacrity . . . and Google	277
Customizing Firefox	279
Installing Firefox	279
Browsing privately in Firefox	281
Bookmarking with the Fox	283
Changing the default search engine	285
Adding Firefox's best add-ons	286
Optimizing Google Chrome	288
Installing Chrome	288
Navigating in Chrome	290
Searching on the Web	292
Finding what you're looking for	294
Using Advanced Search	295
Pulling out Google parlor tricks	297
Referring to Internet Reference Tools	298
Internet speed test	298
DNSStuff	298
Monitis Traceroute	299
Down for everyone or just me?	300
The Wayback Machine	300
<b>CHAPTER 5: Hey, Cortana!</b>	303
The Cortana Backstory	304
Make Cortana Respond to "Hey, Cortana"	305
Setting up Cortana	309
Using Cortana Settings	311
<b>CHAPTER 6: Maintaining Your System</b>	315
Rolling Back with the Three Rs	316
Creating Password Reset Questions	318
Establishing password security questions	319
Using password recovery questions	320
Making Windows Update Work	321
Maintaining Drives	322

What is formatting? . . . . .	323
Introducing hard-drive-maintenance tools . . . . .	323
Running an error check . . . . .	324
Defragmenting a drive . . . . .	324
Maintaining Solid-State Drives. . . . .	326
Zipping and Compressing . . . . .	327
Compressing with NTFS . . . . .	329
Zipping the easy way with compressed (zipped) folders. . . . .	330
<b>BOOK 4: USING THE BUILT-IN UNIVERSAL APPS. . . . .</b>	<b>333</b>
<b>CHAPTER 1: Using the Mail and Calendar Apps. . . . .</b>	<b>335</b>
Choosing a Mail/Calendar App . . . . .	337
Comparing email programs. . . . .	338
Comparing Calendar apps . . . . .	342
Choosing the right package . . . . .	344
Drilling Down on Universal Windows 10 Mail . . . . .	344
Creating a new message. . . . .	348
Searching for email in Universal Mail. . . . .	351
Universal Mail Settings . . . . .	351
Adding a new email account . . . . .	352
Setting extra options. . . . .	354
Avoiding Universal Calendar App Collisions . . . . .	355
Adding Calendar items . . . . .	357
Struggling with Calendar shortcomings. . . . .	358
Beyond Email . . . . .	358
<b>CHAPTER 2: Keeping Track of People . . . . .</b>	<b>361</b>
The Contact List in Windows 10 . . . . .	362
Putting Contacts in the Universal People App. . . . .	363
Adding accounts to Universal Windows People . . . . .	363
Editing a contact . . . . .	367
Adding people in Universal People. . . . .	368
Putting a Contact on the Taskbar . . . . .	370
Alternatives to the Win10 Universal People App . . . . .	372
<b>CHAPTER 3: Zooming the Photos App and Beyond . . . . .</b>	<b>373</b>
Discovering What the Windows Photos App Can Do . . . . .	374
Touring Photos . . . . .	374
Editing Photos . . . . .	377
Setting Settings . . . . .	380
Adding Photos . . . . .	381

	Importing Pictures from a Camera or an External Drive . . . . .	382
	Working with Albums . . . . .	383
	Storing and Managing Photos Online . . . . .	383
<b>CHAPTER 4:</b>	<b>Noting OneNote . . . . .</b>	<b>387</b>
	Getting Started in OneNote with or without a Pen . . . . .	388
	Setting Up Notebooks, Sections, Pages . . . . .	389
	Embellishing on a OneNote Page . . . . .	392
	Sending to OneNote . . . . .	394
	Setting Settings . . . . .	396
<b>CHAPTER 5:</b>	<b>Maps, Music, Movies — and TV . . . . .</b>	<b>399</b>
	Making Maps . . . . .	400
	Basic map functions . . . . .	400
	Navigating with the Maps app . . . . .	403
	Taking a map offline . . . . .	405
	Get Yer Groove Music On . . . . .	406
	Getting Your Music and Movies into the Apps . . . . .	408
	Running around the Groove Music App . . . . .	411
	Finding music and playlists . . . . .	413
	Running around the Movies & TV App . . . . .	415
	<b>BOOK 5: CONNECTING WITH THE UNIVERSAL APPS . . . . .</b>	<b>417</b>
<b>CHAPTER 1:</b>	<b>Introducing Edge . . . . .</b>	<b>419</b>
	A Walk through Microsoft Edge . . . . .	420
	Working with Web Notes . . . . .	425
	A Sampler of Edge Settings . . . . .	426
	Adding Edge Extensions . . . . .	431
<b>CHAPTER 2:</b>	<b>Using Skype in Windows 10 . . . . .</b>	<b>435</b>
	Exploring Skype Alternatives . . . . .	436
	Signing Up with Skype . . . . .	439
	Making First Contact . . . . .	442
	Adding a Contact . . . . .	443
	Settings . . . . .	445
	A Few Tips from Skype-ologists . . . . .	446
<b>CHAPTER 3:</b>	<b>Navigating the Microsoft Store . . . . .</b>	<b>449</b>
	Checking out What a Universal Windows App Can Do . . . . .	451
	Browsing the Microsoft Store . . . . .	454
	Searching the Microsoft Store . . . . .	457
	Updating Your Microsoft Store Apps . . . . .	459

<b>CHAPTER 4: Games, Games, and Games</b> .....	461
Searching the Store for Games .....	463
Bringing Back the Classics .....	466
Starting with Sudoku. ....	468
Cutting the Rope with Style .....	470
Pirates Love Daisies .....	473
Despicable Me, Sonic, and More .....	475
 <b>BOOK 6: SOCIALIZING WITH THE UNIVERSAL APPS</b> .....	477
 <b>CHAPTER 1: Using OneDrive</b> .....	479
What Is OneDrive? .....	480
Setting Up a OneDrive Account .....	482
The Four States of OneDrive Data .....	484
Changing the States of OneDrive Data .....	490
Sharing OneDrive Files and Folders .....	491
 <b>CHAPTER 2: Getting Started with Facebook</b> .....	493
Choosing a Facebook App .....	495
Signing Up for a Facebook Account .....	495
Choosing basic Facebook privacy settings .....	500
Interpreting the Facebook interface lingo .....	503
Building a Great Timeline .....	505
Using the Universal Facebook App .....	509
 <b>CHAPTER 3: Getting Started with Twitter</b> .....	511
Understanding Twitter .....	512
Setting Up a Twitter Account .....	515
Tweeting for Beginners .....	520
Beware hacking .....	520
Using the @ sign and Reply .....	521
Retweeting for fun and profit .....	522
Direct Messaging .....	523
Hooking Twitter into Windows .....	523
 <b>CHAPTER 4: Getting Started with LinkedIn</b> .....	525
Signing Up for LinkedIn .....	526
Using LinkedIn for Fun and Profit .....	530

<b>BOOK 7: CONTROLLING YOUR SYSTEM</b> .....	533
<b>CHAPTER 1: Settings, Settings, and More Settings</b> .....	535
Introducing the Universal Settings App .....	537
Spelunking through the Control Panel.....	540
Putting Shortcuts to Settings on Your Desktop.....	542
God Mode.....	546
<b>CHAPTER 2: Troubleshooting and Getting Help</b> .....	549
Troubleshooting the Easy Way .....	550
Troubleshooting the Hard Way.....	551
Tackling installation problems.....	551
Problems with installing updates .....	555
System Stability and Reliability Monitor.....	564
Tricks to Using Windows Help .....	565
The problem(s) with Windows Help .....	566
Using different kinds of help .....	567
How to Really Get Help .....	567
Snapping and Recording Your Problems .....	570
Taking snaps that snap.....	571
Recording live.....	572
Connecting to Remote Assistance.....	575
Understanding the interaction .....	575
Making the connection.....	576
Limiting an invitation .....	581
Troubleshooting Remote Assistance .....	581
Getting Help Online.....	582
<b>CHAPTER 3: Working with Libraries</b> .....	585
Understanding Libraries.....	586
Making Your Libraries Visible .....	587
Working with Your Default Libraries.....	590
Customizing Libraries .....	592
Adding a folder to a library .....	592
Changing a library's default save location .....	594
Creating Your Own Library.....	596
<b>CHAPTER 4: Storing in Storage Spaces</b> .....	599
Understanding the Virtualization of Storage.....	600
Setting Up Storage Spaces.....	603
Working with Storage Spaces .....	606
Storage Space Strategies .....	608

<b>CHAPTER 5: Taking Control of Updates and Upgrades</b> .....	609
The Case Against Windows Automatic Update .....	610
Terminology 101 .....	611
The Great Divide: Home versus Pro .....	613
Keeping Your Win10 Home Machine Protected .....	614
Blocking Win10 Pro Updates .....	617
Keep Up on the Problems .....	619
<b>CHAPTER 6: Running the Built-In Applications</b> .....	621
Setting Alarms & Clock .....	622
Getting Free Word Processing .....	625
Running Notepad .....	626
Writing with WordPad .....	627
Taming the Character Map .....	630
Calculating — Free .....	631
Painting .....	634
<b>CHAPTER 7: Working with Printers</b> .....	639
Installing a Printer .....	640
Attaching a local printer .....	641
Connecting a network printer .....	643
Using the Print Queue .....	645
Displaying a print queue .....	645
Pausing and resuming a print queue .....	647
Pausing, restarting, and resuming a document .....	648
Canceling a document .....	648
Troubleshooting Printing .....	649
Catching a Runaway Printer .....	651
<b>BOOK 8: MAINTAINING WINDOWS 10</b> .....	653
<b>CHAPTER 1: File History, Backup, Data Restore, and Sync</b> .....	655
What Happened to the Windows 7 Backup? .....	656
The Future of Reliable Storage Is in the Cloud .....	656
Backing Up and Restoring Files with File History .....	658
Setting up File History .....	658
Restoring data from File History .....	662
Changing File History settings .....	664
Storing to and through the Cloud .....	666
Considering cloud storage privacy concerns .....	667
Reaping the benefits of backup and storage in the cloud .....	669
Choosing an online backup and sharing service .....	669

<b>CHAPTER 2: A Fresh Start: Restore and Reset</b> .....	673
The Three R's — and an SF and a GB .....	674
Resetting Your PC .....	677
Resetting Your PC to Factory Settings .....	680
Starting Fresh .....	682
Restoring to an Earlier Point .....	683
Creating a restore point .....	685
Rolling back to a restore point .....	686
Entering the Windows Recovery Environment .....	688
<b>CHAPTER 3: Monitoring Windows</b> .....	691
Viewing Events .....	692
Using Event Viewer .....	692
Events worthy — and not worthy — of viewing .....	694
Gauging System Reliability .....	696
<b>CHAPTER 4: Using System Tools</b> .....	701
Tasking Task Manager .....	702
Task Manager Processes .....	704
Task Manager Performance .....	705
Task Manager App History .....	706
Task Manager Startup and Autoruns .....	707
Task Manager Details and Services .....	709
Installing a Second Hard Drive .....	710
Running a Virtual Machine .....	713
<b>BOOK 9: SECURING WINDOWS 10</b> .....	721
<b>CHAPTER 1: Spies, Spams, and Scams Are Out to Get You</b> .....	723
Understanding the Hazards — and the Hoaxes .....	724
The primary infection vectors .....	725
Zombies and botnets .....	727
Phishing .....	730
419 scams .....	733
I'm from Microsoft, and I'm here to help .....	736
Oday exploits .....	738
Staying Informed .....	739
Relying on reliable sources .....	740
Ditching the hoaxes .....	740
Is My Computer Infected? .....	742
Evaluating telltale signs .....	743
Where did that message come from? .....	743
What to do next .....	745
Shunning scareware .....	746

Getting Protected . . . . .	748
Protecting against malware . . . . .	748
Disabling Java and Flash . . . . .	750
Using your credit card safely online . . . . .	751
Defending your privacy . . . . .	753
Reducing spam . . . . .	754
Dealing with Data Breaches . . . . .	757
<b>CHAPTER 2: Fighting Viri and Scum . . . . .</b>	<b>761</b>
Basic Windows Security Do's and Don'ts . . . . .	762
Making Sense of Malware . . . . .	766
Deciphering Browsers' Inscrutable Warnings . . . . .	769
Chrome . . . . .	769
Firefox . . . . .	771
<b>CHAPTER 3: Running Built-In Security Programs . . . . .</b>	<b>773</b>
Working with Windows Defender . . . . .	773
Adjusting Windows Defender . . . . .	776
Running Windows Defender manually . . . . .	777
Controlling Folder Access . . . . .	779
Judging SmartScreen . . . . .	781
Booting Securely with UEFI . . . . .	784
A brief history of BIOS . . . . .	784
How UEFI is different from/better than BIOS . . . . .	785
How Windows 10 uses UEFI . . . . .	787
Controlling User Account Control . . . . .	787
Poking at Windows Firewall . . . . .	790
Understanding Firewall basic features . . . . .	791
Speaking your firewall's lingo . . . . .	792
Peeking into your firewall . . . . .	793
Making inbound exceptions . . . . .	794
<b>CHAPTER 4: Top Security Helpers . . . . .</b>	<b>799</b>
Deciding about BitLocker . . . . .	800
Managing Your Passwords . . . . .	803
Using password managers . . . . .	803
Which is better: Online or in-hand? . . . . .	804
Rockin' RoboForm . . . . .	805
Liking LastPass . . . . .	806
Keeping Your Other Programs Up to Date . . . . .	807
Blocking Java and Flash in Your Browser . . . . .	809
Fighting Back at Tough Scumware . . . . .	812
Securing Your Communication with PIA . . . . .	813
What's a VPN? . . . . .	814
Setting up a VPN . . . . .	815

<b>BOOK 10: ENHANCING WINDOWS 10</b> .....	817
<b>CHAPTER 1: Using Your iPad and iPhone with Windows</b> .....	819
Running iTunes on Windows, or Maybe Not. ....	820
Why you may need or want iTunes for Windows .....	821
Installing iTunes. ....	823
Setting up iTunes. ....	825
Pulling Internet videos onto your iPad. ....	827
The Inside Story on Office for iPad and Android .....	829
Great iPad Apps to Use with Windows. ....	832
Controlling Windows from your iPad .....	832
Delivering PowerPoint presentations with your iPad. ....	834
Extending your Windows display with iDisplay. ....	834
Moving files between your PC and the iPad .....	835
Playing with Kids on Your iPad or iPhones .....	836
<b>CHAPTER 2: Android, Chromecast, Roku, Kindle, and Windows 10</b> .....	839
What, Exactly, Is Android? .....	841
Getting clear on Android .....	842
Making Windows talk to your Android phone or tablet. ....	842
Connecting TVs with Roku, Plex, and Chromecast. ....	844
Using Office for Android. ....	847
Wrangling E-Book Files .....	847
Introducing popular e-book formats .....	848
Reading e-book files on your PC .....	848
Organizing your e-book files with calibre .....	848
Getting Media from Your PC to Your Kindle .....	852
