ACKNOWLEDGEMENTS

My biggest thanks go to the writers who have donated their work. Without them, there would be no book. Everyone I contacted gave without hesitation and without pre-condition. Thanks also to the editors who gave me their time to talk about writing: Ian Katz and Claire Armistead, of the *Guardian*, Ian Jack of *Granta*, Hilly Janes from *Times 2*, Mary Hadar from the *Washington Post*, Marcelle D'Argy Smith from her experience at *Cosmopolitan*, Dylan Jones from *GQ* and all the very many journalists who have visited Goldsmiths to talk to my students about their work. Thank you also to the friends, colleagues and students who have read and commented on the early drafts: Judy Holland, Tony Downmunt, Ellie Levenson, Reva Klein, Laura Deeley and my daughter Rachel Sturrock.
