Introduction	ix
1 How to be a good teacher	1
• What makes a good teacher?	
• How should teachers talk to students?	
• How should teachers give instructions?	
• Who should talk in class?	
• What are the best kinds of lesson?	
• How important is it to follow a pre-arranged plan?	
Conclusions	
Looking ahead	
2 How to be a good learner	7
• Why is it difficult to describe a good learner?	
• How important is the students' motivation?	
• Who is responsible for learning?	
• What characteristics do good classroom learners share?	
• What's special about teaching adults?	
• What are the different levels?	
• How should we teach the different levels?	
Conclusions	
Looking ahead	
3 How to manage teaching and learning	15
• How should teachers use their physical presence in class?	
• How should teachers use their voices in class?	
• How should teachers mark the stages of a lesson?	
• What's the best seating arrangement for a class?	
• What different student groupings can teachers use?	
• How can teachers evaluate the success or failure of their lessons?	
Conclusions	
Looking ahead	

#### 4 How to describe learning and teaching 24

- What do we know about language learning?
- What elements are necessary for successful language learning in classrooms?
- How do the three elements of *ESA* fit together in lesson sequences?
- What teaching models have influenced current teaching practice?

Conclusions

Looking ahead

#### 5 How to describe language 34

- What does this chapter do?
- Sentence constructions
- Parts of speech
- Noun types
- Verb types
- Verb forms
- Pronouns
- Adjectives
- Adverbs
- Prepositions
- Articles
- Conjunctions and conditionals
- Forms and meanings
- Language functions
- Words together: collocation
- Speaking and writing
- Pronunciation

Conclusions

Looking ahead

#### 6 How to teach language 52

- What does language study consist of?
- How should we expose students to language?
- How can we help students to understand meaning?
- How can we help students to understand language form?
- How should students practise language?
- Why do students make mistakes?
- How should teachers correct students?
- Where do language study activities fit in teaching sequences?

Conclusions
