

The background of the cover is a detailed architectural lighting plan for a facility. It features a grid system with letters A through H and numbers 1 through 10. Various rooms and areas are labeled, including 'WALKER', 'CUSTOMER SERVICE', 'SPECIAL TEE', 'A/T TRACK SYSTEM', 'WAVE', 'CARTS', 'COLD & FROZEN STORAGE', 'LIGHT POLLUTION BARRY', and 'FRIDGEOUSE'. The plan shows the placement of numerous light fixtures, represented by small circles with dots, and their electrical connections. The overall color scheme is light blue and white, with a dark blue and yellow overlay for the title.
